INTRODUCTION

1993 may well be the year of the booters. After the onslaught of asses paraded in front of our faces in 1992 thanks to Buttman and his many imitators, we are more than happy to welcome the new cavalcade of chesty porn queens. Granted, many of the new big tit entries into erotica are surgically enhanced wonders that make one immediately ponder the exorbitant chiropractic bills these burlesque driven dames who took to drinking down dicks and catching bones on camera to spur their strip show appearances nationwide. It's a wonder it hasn't caught on till now, but with the tendency of lap dancing and dirty dancing catching on in this AIDS afraid society, safe sex generally means more skin and more sexy come ons with more masturbation. That's where we come in. The porn video business is booming, from sales and rentals all the way across the board into the cable and pay per view markets. So now, more than ever you need a regular guide to what gets the wood and what delivers limp dick reactions from the viewer. We offer the most literate and unbiased porn journalism on the market and we are very proud of how hard we work to keep you informed and keep the industry aware of what's good and bad on their release schedules. This issue is a jam packed porn collector's edition to be sure. From our stroke worthy scrapbook of big boobed nastiness to the supremely sexy little spread on Sunset Thomas, we offer loads of ways to unload. Read up on the Fans of X-Rated Entertainment Awards, go behind the scenes for Rinse Dream's new series for Zane Entertainment and even find out how you can turn that average sized wiggle worm you are wearing into a wonder of modern science that might just rival John Holmes. In the Bush League, Preston Royal gets down to covering some real amateur smut from the folks at Stevi's Secrets and we proudly feature a double bill in our Editor's Choice section this issue. For all those folks who say we love Buttman a little too much, we quietly recommend the two-part, high water mark of his hardcore career, *Face Dance 1&2*. Alongside that, we feature the very exciting first look at the premier feature film from up and coming adult art film creator Michael Ninn. *Black Orchid* is his first 35mm film and the first shot on film release from Western Visuals, so we are proud to recommend this exciting new picture. That, and more than 60 adult video reviews make this one of our hottest and most informative single issues ever produced. Enjoy!

HOLLYWOOD X-POSED

Credit those crazy guys from **Visual Images** for thinking of a new way to sell the same old thing. The **Uncle Roy** series has become one of the most successful amateur porn ideas to date and Visual is wasting no time on coming up with another new idea that will no doubt sell loads of tape. One of the most popular new forms of television viewing are news oriented exploitation shows that are patterned after tabloid newspapers. While the papers may rely on such spurious stories such as "Elvis is Alive!" or "I Married an Alien!", tabloid TV shows exploit any and every sexual and sordid news story they can get their hands on. America is hungry for dirt. It makes celebrities seem more like regular people when you find out they cheat on their wives, have drug or alcohol problems, or just make the same kind of mistakes that everyman does. What makes it so entertaining is learning they are just like us.

With that thought in mind, Visual Images in launching a new video series called *Hollywood X-Posed*. Sort of a cross between the National Enquirer and the **Kenneth Anger** book, *Hollywood Babylon*, the producers have compiled footage and narrative about X-rated movie stars who sleep with famous people or have some other connection to celebrities. The first tape features **Savannah** and details her relationships with rock and roll star **Gregg Allman,** through **Guns 'n Roses** and MTV comedian **Pauly Shore.** They also feature some salacious reporting on **Ginger Lynn** and her relationship with actor **Charlie Sheen.** They take a sordid swipe at the daughter of television star **Jerry Van Dyke, Kelly,** who committed suicide after performing in X-rated videos. **Misty Regan**'s affair with a Hollywood star that couldn't be named, but we guessed it to be **Max Baer Jr.** who was Jethro on the *Beverly Hillbillies*. A tape of this nature wouldn't be complete without the inclusion of **Rachel Ryan** who is the most well-known star fucker in porn. They go into detail about her relations with **Michael Keaton** through her marriage to Emmy award winning television star **Richard Mulligan,** taking what seems to be a specially fun swipe at Rachel now that she has come out in the *National Enquirer* stating that he beat her, was cheap and was a drunken and pot-smoking nut that drove her away from him.

Visual also plans release of the long talked about "The Lost Tapes", drawn from the library of Amateur Porn King Uncle Roy and a host of other scintillating projects that include a title called *Loveless Sex* that supposedly takes a look into the phenomena of unprotected sexual encounters that is sweeping the nation, due in part to the younger generation's belief that AIDS is only a homosexual disease. Wild stuff!

CARNAL COMPUTER WARS

There's no stopping the sexual revolution that is quickly overtaking the computer and **CD-ROM** market these days. **Romulus Entertainment** announces one year after its release of the first ever Macintosh movie, the first full length CD-ROM for IBM and compatible computers, Andrew Blake's *Hidden Obsessions*. The 90 minute CD-ROM movie is mastered using the most advanced video compression technology available, allowing full screen, 30-fps playback. Most importantly, the digital movie is completely software driven. This means the movie will run on all 386 or higher machines with a CD-ROM drive regardless of hardware configuration. Color monitors, video cards and Windows are not required for playback. Romulus has a ten picture release schedule coming up for 1993, with classics such as *Deep Throat* to *New Wave Hookers* leading the way. You can contact them at (310) 453-5068 for more information. Retail price: $69.95

Not to be undone, **Vivid Video** has joined forces with **PC CompoNet, Inc.** to release the first gay adult movie ever released as computer software. *Desert Fox* an older **Vivid Man** feature from a few years ago deals with the issue of gays in the military, something very timely these days.

Also coming out will be *Ginger Lynn Allen's Superbody*. It's a self-help workout video for body and soul, combining the best of traditional body sculpting and low impact aerobics with meditative yoga. In a forty minute body sculpting session, Ginger takes the user gently from warmup to cool down emphasizing proper breathing and body alignment. Retail price: $59.00

PC CompoNet is also releasing *Things Change: The First Time, Part I* of a two part **Paul Thomas** feature from **Cal Vista.** While their version doesn't have the same abilities as the Romulus product, you can run this IBM compatible release on 386-20 or better CPU with 2 megabytes of random access memory. You need a mouse, with a CD-ROM random access time of 490 milliseconds or less, a data transfer rate (throughout) of at least 150 Kbytes per second, and a data buffer of at least 32 Kbytes. Also necessary is a VGA adaptor card with 1 Meg of RAM, a VGA or Multiscan monitor and MicroSoft DOS 5.0 program. Retail price: $99.00. You can order directly from PC CompoNet, Inc., at 1201 S. Beach Blvd., Suite 204, LaHabra, CA 90631, or call them at (800) 748-4499, (310) 943-9878 or FAX them at (310) 947-1131.

Since the Romulus material is software driven due to the use of fractals, (each image is essentially a mathematics equation) it configures itself to any PC, black and white monitors and portables as well. Romulus certainly seems to have the lead in this are at present, and things are heating up fast in the fuck film industry. We predict, in a couple of years, the VHS cassette will be the 8 Track of the '90s. Remember, you heard it here first.

Cheetilly Lace

THE GALLERY OF GASH

Here's some new quim that chief photographer Scott St. James snapped up in his never-ending search for the perfect pussy to present to *Film World* readers. First up is east coast cum coaxer **Chantilly Lace.** Scott clicked away as she strutted her stuff for him in his room at the C.E.S. show in Las Vegas. Chantilly was only to happy to show off her hole when she heard the *Adam Film World* readers would be ripping at their stiffies over this one. Check her out in: *Mr. Big, Stick it Near the Rear,* and *Full Service Woman.*

Christy Lynn is a brand new box whose lid was popped off during a recent Paul Thomas shoot for Vivid Video. We tried to find out why all these girls are going with the surname Lynn, to which Christy replied, "Actually I took the name Christy because I respect Christy Canyon. Lynn just sounded good after it. Have there been a lot of Lynns?" Only Amber, Brianna, Dana, Debra, Ginger, Jeanna, Mercedez, Porsche, Sasha, Tamara, Terry, and Tina babe!

Sheline is a cute as a button blonde newcomer who got into the porn business for the money and fame. She reasons, "You get into show business for the fame and fortune, but if the fortune comes first, you go with it." Words to live by in the porn industry.

Nikki Sinn is back in action with a fresh tattoo, new attitude and actually. . .a new name. She's calling herself **Laura Zrake** (don't ask) and working closely with director **Henri Pachard.** Nikki. . .er, Laura may not win any acting awards, but we loved her in all the A. titled movies she starred in as well as *The Secret Garden 2.*

HOLLY RYDES AGAIN

Our favorite big clitter in the carnal film industry quietly retired from hardcore X-rated productions about a year ago and we caught up with her recently when we heard that **Holly Ryder** is laying the groundwork for an art and photography gallery in Beverly Hills, California as well as plans for a new erotic art and information magazine while setting up the "Holly Ryder Foundation" to help teenage runaways by supplying money to organizations who help underage kids who are out on the streets.

Holly Ryder

Holly plans on a gala opening for her gallery, with the first exhibition featuring the black and white photography of *Adam Film World* chief photographer **Scott St. James** that will feature many celebrity and fashion models in provocative poses and clothes. The magazine is designed for the upwardly mobile gentleman and should be on the streets by the time you read this. Those wishing to help out the runaways, you can send your tax deductible contributions to the Holly Ryder Foundation at Box 1667B, Beverly Hills, CA 90209-267B or call (310) 288-820S. Make sure to let Holly know where you heard about all the wonderful things she's doing these days.

Rinse Dream Returns to Direct for Zane Entertainment

Adam Film World takes you behind the scenes for the making of a Rinse Dream video that is more fun than an uncensored Redd Foxx party record!

by Larry McKay

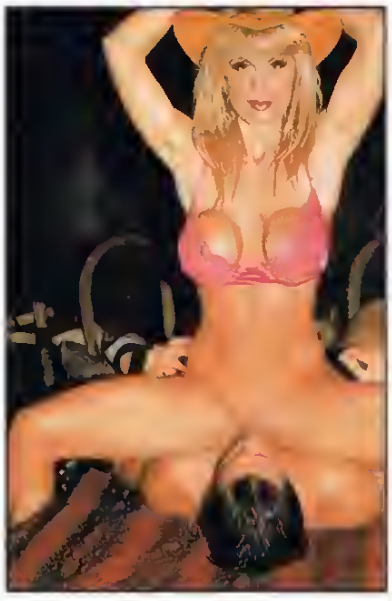
Rinse Dream is the first to admit that sex in sex films in the least favorite thing he likes to shoot. He worked diligently on the pre-production of *Cafe Flesh II* till the project was put on hold. It was at a post-production meeting that Rinse's best friend, porn video editor and producer, Sidney Falco told Zane Entertainment that their adult video product was sorely lacking in what Rinse Dream could offer. They countered by saying, "Show us something different." and Sidney brought in a reel of Rinse Dream's work. The Zane honchos laughed and gasped, saying, "We don't know what the fuck this stuff is about, but we like it. And we know that this guy's stuff sells like crazy. Ask him if he wants to make some movies for us." Zane insisted that Rinse Dream use their new discovery, Brazil.

Zane had already shot a box cover with her for a movie called, *From Brazil With Love*. Rinse told them he could give him a little of *Nightdreams* and a bit of *Party Doll A Go-Go*. It would be called, *Untamed Cowgirls of the Wild West*. Part I would be subtitled, "The Pillowbiters" and the sequel would be cryptically billed as "Jammy Glands." Zane gave him the money and the go ahead to do whatever it was he wanted. The most important thing being that Rinse Dream deliver the product on time. Zane Entertainment isn't like VCA Pictures, who has a release schedule filled up for almost a year. Zane releases a movie a week, and they need product in less than 60 days.

T.T. Boy bops Crystal Wilder.

I got a call from Sidney Falco to come down and see them work. When I asked when, he laughed and said, "Right now. We're getting ready to shoot the first scene." I rushed right over just in time to see Jeanna Fine and Tiffany Million discussing their dialogue. The script called for many quick cuts with the girls talking in hip babble that wouldn't make any sense till it was edited down for the finished product. Rinse was outfitted in wrinkled black clothes, his dark hair sticking straight up in the air from the repeated times he would run his fingers through his scalp and pull upwards in a combination of frustration and release. He looked like he hadn't slept in days, and Falco confirmed that saying, "We've been working on this script night and day. These porn guys have no knowledge that we story board everything out. We know exactly what we are going to do before the actors come on the set."

Tiffany Million rides T.T. Boy's mouth.



I stood silently by as Rinse coached the girls as to how to say their lines. He works very closely with a technical director and videographer. Rinse is the guy who talks to the actors. The technical director sets up the shot and the videographer makes sure it all gets put on tape just so. Rinse asked Tiffany if there was anything he should know about her. She replied with a horsey laugh that reminded me of Seka in her heyday, "Yeah, sometimes when I cum real good I like taking a cumshot in the face. Can you give me some good lines to say after I take a cum shot in the face?"

Rinse almost spit. "I don't like that kind of stuff. You don't need to do that here. We're trying to make something hip and funny. Something entertaining that people can put on at a party. I'll make it hot enough if that's what your worried about. I don't think you have to try and prove yourself to me by offering to do that. That's not what I want," Rinse complained.

Jeanna Fine tongues Crystal Wilder.

Jeanna Fine interjected, "Jesus, man. Give the girl what she wants. At least she ain't asking for more money. Let's get going. I'm getting horny with all this sex talk. I want to eat some pussy here!"

Falco stepped in and said, "We're ready to roll now. Girls listen up to Rinse." The girls huddled with Rinse as he explained the camera angles, their inflections and how to position their bodies. A Zane honcho came over to me shaking his head, "Usually the girls come to us complaining the director's trying to get them to take a pop shot in the face. This time it's the director complaining to me. What a fucking business this is!"

Rinse came over to me and said, "This one will have title cards between the edits. Things that will advance the plot and throw you a couple of curves too. And there will be editing things going on you haven't seen before in my work. Lots of different camera angles. What more can you do with fucking anyway? There isn't enough money for a big

T.T. Boy readies a load for Crystal.

story or production here. I can't believe I'm shooting a feature movie that will be on sale in less than two months. This is freaking me out. I just want to make sure I give them what they want. I want people to know that I'm still around," Rinse said warily. He seem worried that his chance to create *Cafe Flesh II* might slip by him.

I let him get back to work and just watched as Jeanna and Tiffany worked up a frothy sweat of sex drenched passion. As the crew shifted nervously over the building female arousal, Rinse was riveted by technical aspects to the erotica. When something was accomplished in his mind's eye, he would cut and change things till they suited the next stage of creation.

"Fortunately for Tim Lake, Jeanna Fine was his partner. Once she stripped down for sex, she was a human fuck and suck fantasy come to life."

Jeanna gets a tongue jump from Tim Lake.

Watching the filming of one his movies can be a trying experience. Single comedy lines of dialogue are repeated over and over for the camera. But instead of cutting only the best one, Rinse will use many of the dozens of takes jump cut like the scratching of a rap record to create some uniquely Rinse Dream.

T.T. Boy and Crystal Wilder hadn't ever worked for Rinse before. Crystal offered that she found out her job would be mostly line readings and that the sex would be similar to doing a still shoot. That means a lot of stops and starts and working in uncomfortable positions for a long period of time. T.T. Boy was a little more porno, saying, "I wanna' fuck them big titties and suck on them pink pussy lips of yours baby," to Crystal. By the time their scene began, Boy was already hard from the repeated squeezings he gave his cock and the occasional crotch grab Crystal snuck in when the impulse suited her. Once on the set, they changed from the horny porn stars to sex models for Rinse Dream. The guys in his movies don't talk much, they just fuck. Especially guys like T.T. Boy, Peter North and Tom Byron.

Crystal (Cowgirl) Wilder

Actor Tim Lake was a little more excited to be there. He's a genuine sensitive guy who just happens to be working in adult films. Lake's acting ability won him most of the dialogue and as a funny side note, impeded some of his ability to perform sexually under the circumstances. Fortunately for Tim, Jeanna Fine was his partner. And once she stripped down for sex, she was a human fuck and suck fantasy come to life.

There's no doubt about it, Jeanna Fine is a highly sexual animal. While Rinse had to physically enter on the set to position the body of Tiffany Million, Jeanna inherently knew how to move for him and how to make it look hot. She even commented, "I love working for Rinse. I get to do what feels right

Jeanna (Super) Fine

to me, and he always tells me it must be cosmic or something. I seem to move just the way he wants most of the time." Even when she puts out a cigarette, Jeanna has a way of making it look sexy.

Things moved along rather well for the get 'em out style of shooting that Rinse had subjected himself to here. He was giving himself only a few days to shoot two videos, relying on the strength of his cast and crew and the story boards he worked on for night and day the past week. When Brazil arrived on the set, Rinse's mood turned from slightly tired to downright dour. Brazil strutted on the stage, demanding at once that somebody get her something to drink and hurry up and do her make up. She talked so fast and was so scattershot with her physical movements, it was easy to see she was hopped up. And it wasn't in anticipation of working with Rinse Dream.

Rinse immediately cleared the set and zeroed in on her. "Look we're making a movie here and you should have been here hours ago. Get in make up, don't worry about your hair because your wearing a cowboy hat and just put on the gun holster and stuff we tell you to. I'm trying to work here and you just disrupted my set. EROTICA AT THE EDGE OF MAGIC

by Jeremy Stone

Editor's CHOICE

An impeccable work of erotic art. A seven scene, 35 mm film that sets new standards for carnal cinematic excellence. Our Highest Rating!

Director Michael Ninn has a vision. Erotica that stimulates the masculine and feminine in each of us. This former film and video director turned full time adult filmmaker has a background in music, helped along by his tightly knit family of carnally conceptual theorists "The Ninn Brothers" who meld musical styles with explicit and ethereal erotic impressions, made to heigthen the hammering hardcore or softly sensual imagery that make up his unique directorial style. To make a comparison would be unfair, like saying Matisse is like Picasso. Both are artists, yes, but each comes from a separate emotional plane, the only similarity is their choice of mediums.

Michael Ninn is anxious to finish his work on *Black Orchid*. It seems he's not quite happy till each swell of music, line of over-dubbed dialogue and the minutest detail is paid to the stereophonic soundtrack ripping through the speakers in his state of the art editing bay deep inside the headquarters of Western Visuals. I was invited down to see the movie days before the screening cassettes were sent out. Ninn, being a purist, wanted me to see his first big budget film—and the premier release on the Western Visuals Gold label—in a perfect atmosphere. I have a decent video system myself, but the chance to see an adult film in the comfort of a theater seat with a running commentary by the director . . . well, it just doesn't get any better unless you watch the Director's Cut version of *Taxi Driver* with Scorcese talking to the screenwriter on one of the tracks.

Ninn, indeed has nothing to worry about. The plot bears a slight resemblance to Andrew Blake's *Hidden Obsessions*. A wealthy eccentric (Jonathan Morgan) reaches out to a madam (Ona Zee) to find him the writer (Steve Drake) of a book, "Black Orchid." He offers him a substantial amount of money to write chapters that become live sex shows for him through the help of Ona Zee. But where Blake's movie is a mere launching pad for sex scenes, Ninn toys with [illegible] sc'ousness The audience struggles

Lacy Rose in action.

with the meaning of it all, and therein lies the kind of sexual tension, excitement and build-up not seen since European carnal cineast Lasse Braun last shot a sex film.

Jonathan Morgan is struggling with his feminine side. Ona Zee has a money market account for a heart and writer Steve Drake has lost his muse (Veronica Hart). He sold his soul writing "Black Orchid," the price an artist pays for whoring his vision, and now is at a creative juggernaut. Drake gave up the secrets, destroyed the myth in the erotic writing for his readers. The void that he is transported into makes writer's block seem like breaking a pencil, or running out of paper.

"Ninn has brought to the screen an adult feature that's a a grand scale assault on your libido. Arouse your mind and your genitals will follow. Black Orchid *is an elusive erotic gem that dares to delve to the depths of the human sexual soul."*

Drake begins to exorcise the ghosts of his past. Morgan has promised a fortune for a personal work, something that may never be shared with anyone. The story sucks you in, the focal point constantly shifting. Whose life is this anyway? In the search for erotic release, we find that all the players are on the prowl. The breathtaking opening scene has Alana (wearing a black eye patch) brought in by Ona, who feeds her milk from a large bowl as Morgan looks on silently. Ninn plays out scenes in this picture with an emphasis on the music, cinematography and editing. At one moment, the detached haunting compulsion one feels listening to a fine work by Phillip Glass is replaced by the stampeding crowd like assault of a imperious Stockhausen piece. You will question your perspectives in sex scenes that deliver tease then extreme close ups in jump cuts or majestic dissolves. This is no MTV video, not a porno perfume commercial. This is James Joyce, Joseph Cambell and Ken Russell with a hard-on.

Erotica on a grand scale will truly be the wave of the future. "It's not a wacker movie!" Ninn warned me before the screening. Indeed. Amateur porn plays to a cheap impulse, like quickie masturbation. Reality porn, like John Stagliano, draws on the perverse and chronic masturbator in us all. The work of Michael Ninn begins where Andrew Blake leaves off. *Black Orchid* fucks with your head, tugs at your heart, and stirs up a physical response in your loins. It takes a visionary approach to make an appealing adult film that can have a multi-layered perception to it. The biggest problem is being labeled arty porn. One can fall prey to your own talent. You can quickly become a parody of yourself. The medium does not allow for too much variation.

Jonathon Morgnn cops n blow job.

Sunset nnd Znch Thomos.

Nobody else in hardcore porn is asking The Big Emotional Questions any more. Michael Ninn has begun discussion on the subject however. Where do men and women stand on their feelings of sexual objectification? To glorify a desire is that a positive, negative, egocentric impulse? Or is this objectification a sacred spiritual and sexual belief. Were not just the metaphysical shrub-hugging, vegetarian, new age wackos and pyschedelic salvation proponents propounding new/old theories on the Goddess Movement, we might write this movie off as weird. But consider for a moment the idea that women hold a higher place in society's erotic atmosphere. Her childbearing, lifegiving powers and nurturing strengths the essence of deep seated eroticism. It sucks a man in like a superbly slick vagina eager to engage in sex with a turgid penis.

One of this movies metaphors concerns the power a man feels when he penetrates a pussy. The control that shifts back and forth between couples during the height of arousal. Where Morgan is haunted by his female alter-ego (or is it his true love?), Lacy Rose, we find also his strange attraction when he imagines sex with her. It's like the first time you get a glimpse of yourself masturbating and are turned on by it. Compelling, perverse and innocently beautiful all at the same time.

There are seven sex scenes in this one of a kind feature that highlight about every possible erotic fantasy combination. From the controlling carnality of Ona Zee, to the depraved decadence of eye-patch outfitted Alana who does double duty, to the tender and undefiled presentation of Sunset Thomas, the erotic give and take is enough to demand this film must be seen more than once to experience all the visual statements and erotic nuances. Just watch the fervid sex between mega-boobed Kimberly Kupps and Cal (The Hammer) Jammer in their groin tightening scene. From perversity to pristine prurience, Michael Ninn has created a cinematic wonder that offers many levels of erotic enjoyment. The kind of movie you can watch again and again, till you realize the movie is about you. As The Writer says to his benefactor at the end, "The end is always the same. Narcissus drowning in his own image." This may be the first time in an adult film when the screen goes black at the end and you lean into the monitor, you like what you see. One of the best erotic films in these fast-changing modern times, Ninn has brought to the screen an adult feature that's a a grand scale assault on your libido. Arouse your mind and your genitals will follow. *Black Orchid* is an elusive erotic gem that dares to delve to the depths of the human sexual soul.

MY SECRET LOVER

★★★

1993, 83 min. Directed by Michael Craig.
Cast: Tami Monroe, Teri Diver, Woody Long, Jonathan Morgan, Kris Newz, Stacy Nichols, Alicia Rio
From: Wicked Pictures
Erotic Rating: Hot

Tami Monroe plays a stripper who becomes the object of a secret admirer's obsessive desires. She finds herself captivated by his flowers, obscene phone calls and eventually agrees to meet him and find out what its all about.

A trifle of a story that plays off Tami's dancing show, with lots of emphasis on burlesque dancers and clubs. The sex just sort of happens. From the opening dressing room dicking of dancer Teri Diver and Kris Newz, through the relationship sex of Tami and Mike we watch as people fuck with not a lot of motivation. But the sex is hot and well shot. Tami takes a dirty call and we watch Celeste and Woody do a smoking stuffer. Mike falls for a set up sexing with Alicia Rio and Tami has her eventual meeting with her secret lover. The movie stops and we learn nothing other then they plan to continue. A little subplot, subtext and more motivated sex would have greatly helped this show.

THE NAKED PEN

★★★

1993, 81 min. Directed by Wesley Emerson. Cast: Tiffany Million, Tracy Winn, Mike Horner, Tom Byron, Francesca Le, Alicia Rio, Melanie Moore. From: VCA Erotic Rating: Hot

Tom Byron plays a writer who creates carnally oriented fiction as we watch his erotic imagination come to life.

This premise has been flogged to death in porn, and the writer is generally the least likely person in the movie to be doing something creative. The set ups are simple yet effective. Due largely to the inspiration of the cast and savvy eye of Wesley Emerson, this modest little movie makes it on sheer sex appeal. Mike Horner displays an insatiable hunger for eating pussy in this tape, scarfing down the snatches of Tiffany Million, Melanie Moore, Alicia Rio and Tracy Winn till they turn into oozing women rags. He fucks them all hard and fast, hinting that Horner was primed for this lead role. He plays a secret agent on the search of a princess (Tracy Winn). We watch as he bangs Tiffany; Alicia Rio holds Tracy carnally captive; Mike makes it with Melanie Moore; and Tracy works up a sex sweat frigging her hole. Horner is sent in to free her, fucking Tracy and Alicia instead before Byron gets the itch to get in on the action, sharing Tiffany and Francesca Le in the final scene. Spirited screwing, extreme close ups and high energy humping make this one a carnal cut above.

From: Evil Angel Erotic Rating: Volcanic

When a movie director (Joey Silvera) can't seem to find a lead for his legitimate film, he decides to try casting an adult film actor (Rocco Siffredi) who struggles to find himself in a manipulative production that makes him yearn for his porn roots. Fortunately, his buddy Buttman (Stagliano) throws a sex party for him, helping him face the pressures of his new job.

A tour de force for Stagliano with two movies competing for screen time. The story jumps back and forth, never allowing the viewer to get a handle on what is real and what is fantasy. Therein lies the secret of the sexual heat. What is obvious is that Stagliano has the chops to go beyond the Buttman character, while never giving up the essence of what makes his movies erotic classics. Plenty of tease, group sex and exotic sex make this an extreme close up festival of fucking possibilities while never losing focus on the slightly freaky film that is being lensed, staying true to the hardcore movie at hand.

Rocco (Dario) continues in his struggle to cross over into mainstream movies, finding that straight film making can often be more manipulative than the honest hardcore movies he is used to, sending him to seek solace in his old buddy Buttman's world.

As good as the first part, this sequel is equal (if not hotter) in the sex departments. There is a moodiness and decadent sexuality to this movie that will suck you in and drain you dry. Plenty of wild fucking, ultimate penetration and erotic exotica, with extended love holes sloshing around in erotic abandon. Erotic highlights include the Kiss and Rebecca Bardoux double teaming by Kris Newz and Rocco; the group scene on the set of the mainstream movie; the Chrissy Ann and Sierra double fuck with Tom Byron and Rocco; and most importantly the Rocco and Tiffany Million mad screw at the finish. A definite addition to your adult film library.

★★★

1993, 87 min. Directed by Paul Thomas.
Cast: Ashiyn Gere, Nikki Dial, Steve Drake, Jonathan Morgan, Tiffany Mynx, Brick Majors, Rob Savage.
From: Vivid
Erotic Rating: Hot

Steve Drake plays the best friend of Jonathan Morgan who is in a live-in relationship with Ashlyn Gere. She touches on Steve's need for anonymous sex and works her way into his sexual psyche by seducing him with tales of her extra-curricular sexploits and getting him to open up about his own sexual experiences. This eventually draws them together.

Nothing new here plotwise, it's the old grass is always greener tale with Ashlyn Gere starring as the grass. She and Jonathan Morgan seem to have a healthy relationship, as evidenced by their afternoon delight in a tub. Morgan gets increasingly coarse, Gere drifts into the arms of Drake and we see their failure to establish any real sort of emotion in anonymous encounters. Drake's pick-up of Tiffany Mynx and Nikki Dial is a throwaway triad, though Gere's seduction of beefy duo Rob Savage and Brick Majors means a little more in the heat department. Ashlyn and Steve's meeting of the groins is a hot blast that comes too little too late to make this movie more than just a cut above ordinary.

Mimi Miyagi is our hostess for this fantasy based fuck and sucker that is action oriented and filled with costume clad porn players who illustrate some of the sexual possibilities prevalent in the wild west and Mother Goose stories.

First up Mimi dries her hair under an electric hair dryer in the middle of a ranch for some unexplained reason. While reading a tabloid newspaper, she gets all hot and bothered and resorts to servicing her sexy little Asian slot till she is joined by Ashlyn Gere who aids in turning out a hot and sweaty lez session. Flame finds one of the Mother Goose books lying around and we go to a fantasy tale where Mike Horner is outfitted as the big bad wolf and red headed hot body, Teri Diver is dressed as Little Red Riding Hood for the dicking. Tony Tedeschi and Zach Thomas take turns tandem dicking the sexy freckled form of red headed Flame. Mike Horner and Teri Diver are then joined by Angella Faith. It's the fourth installment of the saga of Princess Kimi and her magical bed, and it's still putting an irresistible sexual spell over anyone who gets near it. This time out it's enticing oriental newcummer China Mai, lusty Alicia Rio, curvacious Crystal Wilder and of course delicious Mimi Miyagi.

Sleazemeister Ron Jeremy recapitulates his role as the seedy junk dealer, the guy who always seems to end up with the bed whenever a turn in the plot is needed. He gets to narrate the story and fuck China, which is the better deal by far.

Other magic moments include some lusty loin locking between Peter North and Mimi, who is more beautiful than ever, a ball draining session between busty Crystal Wilder and Jake Steed, and another lucid interval between the ever rigid North and hot lipped hard body Alicia Rio. When two politicos fight it out for a public office, one of them (Wolf Savage) wages a dirty tricks campaign to catch his rival in screwing around, thereby insuring his hopes for winning the election.

Pretty much an amateur production at work here, and we don't mean the performers. Coldwater makes director Milton Ingley look inspired and talented. The cast struggles with his bad script, suffering the bad photography and dumb set ups to try and deliver some hot sex. Toy and Janet Jacme perform at peak output, while Chocolate and Bonnie Parker seem like they would rather be someplace else. We open on Savage and Bonnie banging in the back of a limo in a poorly shot and executed encounter. Janet and Julian put in the hottest hump of the show after a hard day at his office. Toy gets all the action in the middle, banging Julian and Chocolate in back to back encounters. Were Toy's body not so out of shape, she could sure be something. Get a personal trainer babe! THE DICK OF YOUR DREAMS

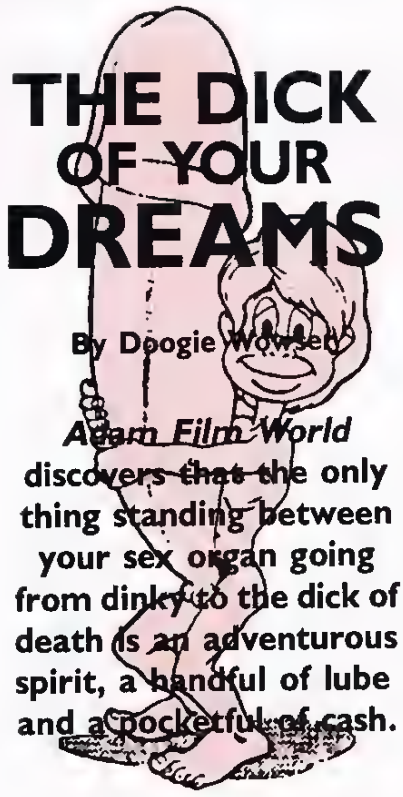
By Doogie Wowser



Adam Film World **discovers that the only thing standing between your sex organ going from dinky to the dick of death is an adventurous spirit, a handful of lube and a pocketful of cash.**

Now, up until I got into the porn biz, I'd never given things like penile length or diameter much thought. Being average seemed good enough and besides, like my girlfriend always says, "It's not the size that counts, it's what you do with it."

Then I began to review XXX videos for a living; videos starring the likes of Peter North and Sean Michaels. Let me tell you, after seeing those guys whip out their foot-long firehoses for the hundredth time, you start to feel a little, well, inadequate.

So, I decided to do a little research into the "penis enlargement" field (Oh right, like you've never even considered it). Now I'm not talking about those vacuum pumps—you know, the ones that can make your cock plump up like a Ballpark frank...as long as you keep it in the tube—I'm talking about honest-to-goodness medical science here.

Little did I know what I was getting into. Seems penile enlargement is big business these days. There are books, pamphlets, and videos galore from doctors and laymen alike. Each promises to reveal, "the on*l*y real way to achieve penile enlargement," and each guarantees to deliver, "The Dick of Your Dreams!"

For a good primer on the whole movement, check out Gary M. Griffin's *Penile Enlargement Methods—Fact* and *Phallusy*. With his concise, easy to read book, Mr. Griffin may well have written the *Dianetics* of dick worship: Want to know how to correctly measure your penis? See page 31. Curious how your penis size compares to other men? page 47. Interested in knowing the ten largest penises? pages 32-35. It's all here in black & white.

The book, available from Added Dimensions Publishing, is 120 pages long and features lots of shots of, as the author tastefully puts it, "Incredible endowments." Naturally, the book also details "the only scientifically-proven penis enlargement method;" one developed by a group of physicians in Kent, England back in the 1970's. For just $14.95, you can judge the merits of the crumpet crowd's experiments for yourself.

For those who demand up-to-the-minute knowledge of the latest dick enhancing advancements, Added Dimensions also publishes the *Penis Power Quarterly*. That's right, now you can have all the penis news that's fit to print delivered right to your door—in a plain wrapper of course—four times a year.

Recent issues of *Penis Power* have featured: a blow by blow description of what happens from the moment you walk into the doctor's office until your surgery is complete; interviews with the doctors who perform the surgeries; and of course, plenty of those highly coveted "before and after" photos. As the publisher says, "if you're serious about penis enlargement, then this is the publication for you." A one year subscription will run you serious-minded folk $19.95.

Speaking of the doctors who perform the surgeries, Drs. Gary W. Rheinschild, M.D., F.A.C.S., and R.R. Cone, M.D., F.I.A.C.S., were kind enough to send along their pamphlet entitled, "Sexual Dysfunction of the Male." While weighing in it at only 11 pages, the brochure contains a wealth of technical info about impotence and penile plastic surgery. (Unfortunately, nowhere in the pamphlet does it explain what the hell F.A.C.S. or F.I.A.C.S. stands for.)

After skimming past all of the fun procedures modern medicine has cooked up to combat impotence—self-administered prostaglandin injections; malleable rod implants; self-contained inflatable implants—you'll find all the fun procedures modern medicine has cooked up to lengthen or enlarge the penis.

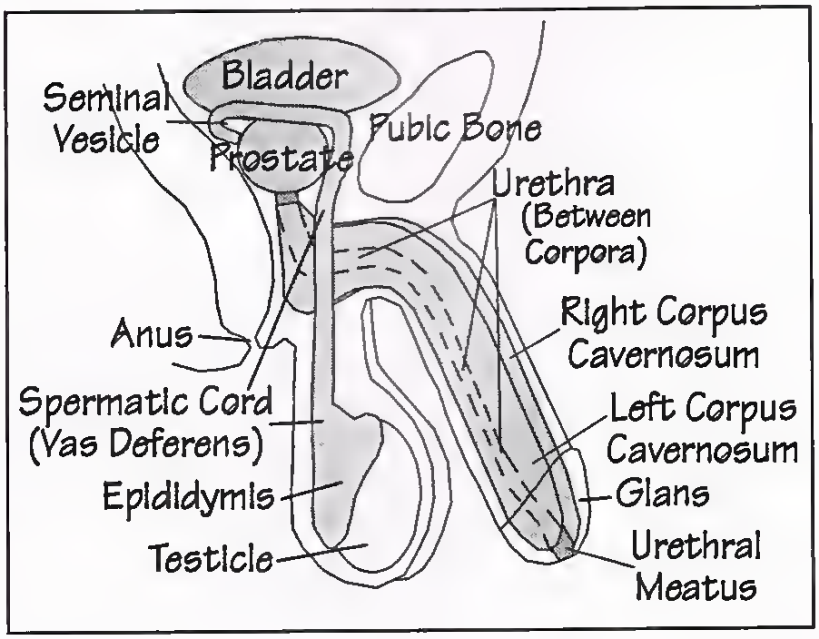
The first thing you learn is that "enlarging" and "lengthening" are not the same thing. When you have your penis enlarged, you are increasing the girth (diameter). When you have your penis lengthened, you are adding to the shaft length. Cribbing a couple of atomic bomb code names here, the two different procedures could easily be dubbed Fat Man and Little Boy.

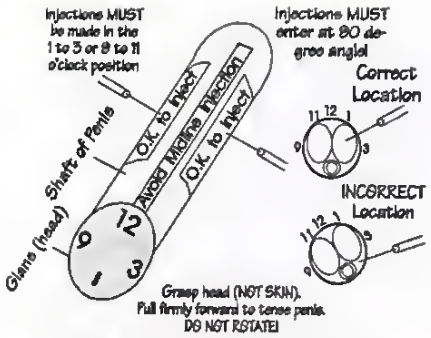
To achieve Fat Man, the doctors take fat which has been "harvested via liposuction" of the pubic area and transfer it subcutaneously into you penile shaft. To aid a Little Boy, the doctors detach "the suspensory ligament" between the scrotum and penis thereby adding ¾ of an inch to 2 inches to the shaft length.

"The first thing you learn about penile growth is that "enlarging" and "lengthening" are not the same thing."

Now before you start going, "hey, that's for me," you might want to think carefully about the following warning the good doctors also include in the pamphlet: "The patient should not expect a perfect result. The surgeon will do his best, but it is *impossible* to attain a perfect result." Remember we are talking about surgery here, and all surgical procedures have their risks. Apparently one of the risks you run with this particular procedure, is being stuck with an imperfect penis, aka and ugly dick.

If you are genuinely interested though, the doctors will be happy to send you their pamphlet and a price list. The one I have is from 1992, but just to give you some idea of the costs, the penile lengthening and the penile enlargement surgeries were running a cool $2,000 a piece in 1992 dollars. When you elected for both of the procedures, however, the combined rate back in the Bush-era was a rock-bottom $2,950.





Injections MUST be made in the 1 to 3 or 9 to 11 o'clock position
Injections MUST enter at 90 degree angle

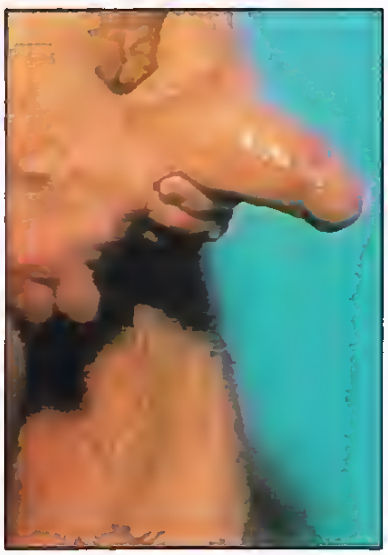
Dick surgery junkies might also want to ask for information about the seemingly Merlin-esque "Circumcision Reversal;" a procedure that restores the foreskin. The surgery was listed as costing $1,000 on the price list, but no explanation of this miracle was offered in the brochure.

Of all the material I looked over in researching this article, without a doubt the most interesting was the packet from Eugene Geno Viscione, an "inventor/writer/audio and video producer" out of New Jersey.



Back on February 3, 1983, Mr. Viscione was diagnosed as having Peyronie's disease: a disorder which causes penile curvature, scarring, and ultimately a shrinkage of the penis's length and diameter. I know the exact date of this diagnosis because Mr. V. included a copy of his doctor's report along with some photos of his bent, scarred penis.

The report went on to say that the prognosis for recovery was poor since Peyronie's is considered incurable. Seven years went by and Mr. V. watched his penis shrink from six inches to five, to four, and finally to three inches in length. Fed up with the doctor's inability to help him, Mr. V. finally took matters—and his scarred, bent penis—in his own hands and worked on a solution of his own.

The method he discovered—he calls it the V-method (For Viscione? Victory? The fifth method he tried?)—not only returned his penis to it's normal length and diameter, but, Mr. V. claims, it actually made his penis longer and larger than it was before the disease. Now that's karmic justice!

As outlined in Mr. V.'s videotape—also adapted into a book, hence the "inventor/writer/video producer" title he goes by—the V-method involves topical application of vitamin E and mineral oil and a series of patent pending penile exercises. The whole method boils down to a sort of Jane Fonda workout for your love muscle; not really aerobicise, but more "enlargeicise" (the term is yours if you want, Mr. V.).

Though the 30 minute video is not very well-made—it consists of two parts, a fifteen minute head-shot as Mr. V. reads from his notebook and a fifteen minute crotch-shot as two hands manipulate a dick like a tube of toothpaste—the theory behind the exercises does make sense. There is also no denying that the V-Method worked for at least one man: it's inventor. If you don't believe him, he'll send you the photos.

As for Mr. V.'s assertion that the V-Method could help a man without Peyronie's disease get a larger penis, well...who knows? There is a mammal that lays eggs. Besides, I get the feeling that Mr. V really has only the best intentions at heart. At $29.95 per copy of the tape and $19.95 for the book, he's obviously not trying to bilk anyone.

So there you have, in the nutshell, the many faces of penile enlargement. I know, I know, I still haven't told you if any of these methods can *really* give you The Dick of your Dreams! Unfortunately, I can't. Only you can decide how far you're willing to go in pursuit of your Fantasy Phallus.

Personally, after seeing so many photos of guys with *serious* penis problems, I've come to be pretty content with just being average. Now, if I could just get my cock out of this damn vacuum pump!

HUGE DICKS ON TAPE

So you say you're pretty happy with the size of your shooter? Yeah, well come back and talk to us after viewing this video!

VMC Canada has just released a 30 minute tape featuring scenes of the all-time biggest porno cocks, including some very rare footage of the original monster himself, Long Dong Silver! Though the footage of Long Dong is scant, there's still plenty of opportunities here to catch an eyeful of his 17 ½ inches of dangling fury. Unfortunately, the Dong-inator keeps his shotgun in a leather sheath throughout the loop, further fueling the debate as to whether his half-yarder was for real. There's no denying that John Holmes's wad was real though and some of his best stuff is served up here along with the massive missiles of Mr MX and Long Dan Silver. In all it's 20 scenes of guys with dicks as big as your arm, getting the babes, and making you feel like you belong in male member Munchkinland.

Huge Dicks is available exclusively through VMC Canada. To order send $14.95 plus $4.00 handling and 7% GST to VMC Marketing Canada, Dept. 207, 4944 Decarie Blvd., CP 1088, Montreal, QC, H3X 3Y2. (Canadian funds only).

DIRTY BOOKS

★★★

1993, 88 min. Directed by Wesley Emerson. Cast: Ashlyn Gere, Tiffany Million, Mike Horner, Jonathan Morgan, Ona Zee, Kelly O'Dell.
From: VCA
Erotic Rating: Hot

To save her book store from ruin, Ashlyn Gere takes a tip from her accountant and turns the place into a porn video, book and marital aids outlet, having great success.

The action comes fast and easy in this banger. A good cast and great production values make the thrifty script work, though the pairings often see a little on the forced side. Gere going at it with her accountant (Morgan) is a little to easy for our liking. We loved the Tiffany Million solo dildo trip in a video booth. Ashlyn heads home to hump Mike Horner, who then takes a cue from wifey, whamming porn star Ona Zee. Gere goes for new cashier Kelly O'Dell in a spirited girl-girl, joined by Mike Horner for a mad slam of an ending. Light on plot and purpose, pro sexing makes you forget about the negatives here.

SODOMANIA II

★★★

1992, 135 min. Directed by Patrick Collins.
Cast: Heather Hart, Rebecca Bardoux, Randy West, Peter North, Francesca Le', Barbara, Sascha, Tiffany Mynx, Sierra, Cody O'Conner.
From: Elegant Angel
Erotic Rating: Volcanic

Brockton O'Toole hosts a series of sex scenes with kinky sexual acts being the focal point of each scenario.

A couple of slips kept this feature from getting a higher rating. The opening scene with Heather Hart and Randy West performing sex on a pool table is marred by weak photography and no continuity. The performers look into it, but we don't get the right shots here. The second scene is a near classic. Rebecca Bardoux gives a career performance as the horny housewife who wants to be fucked hard by a black man while her hubby watches, finishing up with some marital poon packing and cumming in the face for the finish. Amazing stuff. The four way girl-girl scene is rather sleepy, with the Dutch imports Barbara and Sascha seeming more paycheck then sexually driven. Francesca and Tiffany try their best to keep things going though. Cody O'Conner plays up to Sierra who puts her through some exciting paces with a little shaving thrown in. This is a mixed bag of sexual tricks with some volcanic sex being mixed in with forgettable fucking. Overall, a very hot film that could have been a classic but missed the mark, twice.

Jeanna Fine gets the interracial jump from Sean Michaels./St. James

STREET ANGELS: CITY OF SIN II

★★★★

1992, min. Directed by Henri Pachard.
Cast: Jeanna Fine, Ona Zee, Sean Michaels, Randy Spears, Ashlyn Gere, Britt Morgan, Flame, Joey Silvera, Johnny Nineteen, Jon Dough,Teri Diver, Summer Knight.
From: Las Vegas
Erotic Rating: Volcanic

Jeanna Fine is on the run as the call girl who kept a client list and video file on her johns, much to the dismay of preachers, judges and politicians whose futures hang in the balance.

This story oriented 35mm film is a throwback to the Golden Age of Erotica. We get deeply into the characters before watching them screw. The sex is highly motivated, slightly kinky and extremely well presented, thanks to the camerawork of the unsung master of adult filming, Art Ben. We watch as the life of Spears the preacher crumbles into a drunken stupor as he engages in weird sex with prostitutes Flame and Britt Morgan. Sean (the judge) Michaels pays to play with Fine in flashback; Ashlyn Gere gives it up to Jon Dough in a dirty, backroom banger. Ona and Sean send and incendiary blast of interracial sex fire to finish up the story with a surprise ending we won't give away. Here's a red hot movie for story oriented porn fans who like their sex a little on the kinky side. Recommended.

SWEET TARGET

★★

1992, 74 min. Directed by Scotty Fox.
Cast: Tiffany Million, Lacy Rose, Tiffany Mynx, Fantasia, Randy Spears, Jake Williams, T.T. Boy,
From: CDI
Erotic Rating: Hot

Randy Spears plays a private detective hired to find out if a millionaire's wife is cheating on him.

Setting the mood for this poorly written, flatly acted, but well shot carnal endeavor is ten full minutes of really bad dialogue and an even worse Jack Nicholson impersonation by Spears. Randy fumbles his way through finding Lacy Rose and Tiffany Mynx fucking in a hotel room in a blistering gash grind. Back at the mansion the grounds keeper, T.T. Boy, does a number on Tiffany Million's million dollar bush. Boy moonlights with Tiffany Mynx in broad daylight. Spears takes advantage of the situation and nails Miss Million *and* Miss Rose. And wouldn't you know it, the husband, Jonathan Morgan, is fucking Fantasia on the sly. So watch the sex and skip the talking. You'll be glad you did.

A. WOMAN 2

★★★

1993, 85 min. No director credited.
Cast: Chantilly, Marcello, Nick East, Tom Byron, Shayla LaVeaux, Francesca Le', Sierra, Sharise, Cal Jammer.
From: Pleasure
Erotic Rating: Hot

This torrid tape revolves around the unconstitutional liberties taken by a bunch of vice squad cops with their all too willing suspects—a slew of dick happy babes like Sierra, Shayla, Francesca Le, chesty Chantilly and sexy Sharise, all of whom love to ball and are more than happy to wrap their luscious lips and spread their easily parted legs for the likes of Cal Jammer, Nick East, beefy stud Marcello and the carnally venerable Tom Byron.

Jammer and Sierra have some arresting moments, mainly with his hard dick in the bawdy brunette's smooth, wide mouth. Byron, teaching traffic school class, gets the green light from tarty nymphet Francesca Le. Nick East pays a visit to Sharise, which results in a another sticky situation, while blonde cutie Shayla plays—true to form—a bitchy prosto who tantalizes Jon Dough's tong but eventually comes through in the end. Nasty premise—but the sex is hot.

RAISING KANE

★★

1993, 77 min. Directed by August West.
Cast: Shella Stone, Honey, Don Fernando, Cal Jammer, Treasure, Scott St. James, Meekah, Tom Chapman.
From: Fat Dog Productions
Erotic Rating: Warm

Sheila Stone stars as the victim of a harsh mugging—interestingly enough, the mugger wears a Fat Dog shirt—who wakes in a hospital to find herself suffering from amnesia *and* a multiple personality disorder.

The makers of this film don't quite mug you, but with this dumb story, poor photography, and bad sound, they do leave you feeling scammed. Meekah and Don Fernando are first up to fuck and though the link is nothing special, Meekah's exotic look, dark nipples, and "fuck me/fuck you" attitude are always a treat to watch. Doctor Don hypnotizes Sheila. While under, she recalls each of her three personalities getting banged: her own self diddling Tom Chapman; a second slutty self (naturally played by someone else) undergoing a lame poke from Scott St. James; and then a third lesbian self (once again another newcomer) unenthusiastically slurping Meekah. Somehow Sheila is cured, gets released, gets mugged again, and finally finds true love at the therapeutic hands of healer Cal Jammer. Heal me Cal! *Raising Kane* won't raise a thing for you.

WOMEN OF INFLUENCE

★★

1992, 70 min. Directed by C. Everette Smythe.
Cast: Sascha, Cynthia Barella, Alicia Rio, Chrissy Ann, Kelli Dylan (Lacy Rose), Cheyenne.
From: Las Vegas
Erotic Rating: Warm

Sascha stars as a high powered stock broker who uses her position and influence in the sleaziest of ways.

Or so one would think. Unfortunately, this one falls short of even the most modest expectations. Lacy Rose is the first victim, er, uh, client, and even though both are pretty enough, no heat ever really develops. Alicia Rio is joined by Cynthia Barella, another spicy import, but even with Sascha, the three just can't seem to get things going. No one really looks like they're into it and this is especially strange for Miss Rio, who is usually totally "ga-ga" when she's slurping on a friend's clam. Hmm? Cynthia and Lacy contribute yet another disappointing scene. Chrissy Ann and Alicia almost get things cranking as they partake in each other's lamb pie. But again, they seem to either be holding back or maybe the spark just wasn't there. One last note, Cheyenne and Sascha fuck, but by this point, nothing could save this one.

CYCLE SLUTS

★★

1992, 74 min. Directed by Bob Vosse.
Cast: Jeanna Fine, Domonique Simone, Randy Spears, Peter North, Stacy Nichols, Charisma, Sikki Nixx, Jaguar, Eric Starr, Ted Wilson, Sean Michaels.
From: Coast to Coast
Erotic Rating: Warm

Jeanna Fine stars as a slut whose cycle gets stolen right before "the big ride". Bummer.

There's little here that's hot, but the wildly eclectic match-ups will probably keep you watching right up until the end. Jeanna sucks Randy's spear right down her throat to start off a fairly rugged, if rather lazily captured, opening workout. Eric Starr then begins a fuck with Stacy Nichols before Peter North gets the call to come in and finish the job. Stacy is our kind of cycle slut, but this lengthy spoking never comes alive. Charisma and Jaguar then take to a pool table for what must be the heavyweight championship of girl/girl bouts. When the two tire of each other, hapless bystander Ted Wilson literally gets dragged into it. For the finale, Simone starts to give Jeanna head before a couple of dicks with Randy Spears and Sikki Nixx attached to them show up and muscle in. The group pair off, intermingle, and then pair off again in a sort of orgy wannabe where everybody comes as you watch on limply. Total Bummer.

FEDS IN BED

★★★

1993, 81 min. Directed by Jim Enright.
Cast: Sheila Stone, Randy West, Steve Drake, Alex Jordan, Marc Wallice, Nicole London, Sierra, Jonathan Morgan.
From: Hollywood Video
Erotic Rating: Warm

Steve Drake and Randy West play federal agents trying for one last headline-grabbing porno bust before election day.

The script (the actual writer is uncredited) relies too heavily on running gags that run out of gas long before the videos running time. Marc Wallice and Sheila Stone do it on a cable channel while Randy watches and strokes his salami. The action gets him so excited, he calls out for the very hot Nicole London to bring him a pizza and chow down on his calzone. On the set, Jonathan Morgan directs Sierra and Sheila and then Sierra and Marc in parodies of the standard porn stuffs. Sierra in particular is so dead-on accurate in her faking that you may never believe she is enjoying sex again. (Is this really what we need to see?) Finally, Alex Jordan and Steve settle down for a hot little pounder that shows how sweet sex can be when no one is faking it. Something for those looking for a porn film parody, but not if you prefer watching porn that really means it.

HONEY I BLEW EVERYONE, AGAIN

★★★

1992, 77 min. Directed by C.B. DeMille.
Cast: Tiffany Mynx, Cheyenne, Marc Wallice, Bobby White, Shelly, Mark Wise, Randy West, Derek, Jimmy Z.
From: Midnight Video
Erotic Rating: Very Hot

Tiffany Mynx returns as the cock crazy housewife, who wolfs down any and all cummers in her quest for the ultimate, oral unloading.

Whimpering weenie Marc Wallice is Tiff's disposable spouse and when he takes her to Randy West to be examined, Dr. Dick slips his wick down her throat for a strep culture and then dips it deep in her steaming crack in one of the cleverest ways of taking someone's temperature we've ever seen. Nurse Shelly gets plowed by Wallice in the waiting room. Cheyenne and Derek go hog wild out by the barn in a totally unconnected scene, and then some bozo in a safari hat, Jimmy Z, nails Tiffany on the kitchen counter. And if all that weren't enough, we meet Bobby White, who is afflicted with the same illness as Tiffany. As you would guess, or hope rather, Dr Randy prescribes the exact same cure as before. Not exactly your Rudyard Kipling kind of a story line here, but there's lots of cock sucking to keep your oral interests up.

SNAKEDANCE

★★★

1993, 75 min. Directed by Hyapatia Lee.
Cast: Hyapatia Lee, Shawnee Cates, Mike Horner, Jon Dough, Devon Shire, Randy Spears.
From: Vivid
Erotic Rating: Warm

Hyapatia Lee wrote and directed this look inside the cultural and sexual practices of American Indians.

Hy's pretty stiff in the narration and we don't really see any heat in this professionally lensed and produced shot on video. Nothing much here beyond a hardcore history lesson, making this a questionable erotic product that doesn't really arouse or inform. It is well done though. We get Shawnee and Don in a 69 scene. Then Shawnee trades off dicking Jon Dough and Mike Horner before sharing them in a tent. Devon and Mike perform and Indian ritual prior to a poke. Randy Spears and Hyapatia have a body painting lovemaking session prior to a Jon Dough and Hyapatia Lee encounter. A decent enough attempt at putting something more in a porn video box. Next time Hyapatia, don't forget the heat.

STICK IT NEAR THE REAR 2

★★★

1993, 89 min. Directed by Paul Norman.
Cast: Shayla LaVeaux, Jon Dough, Francesca Le', Nick East, Chantilly Lace, Marcello, Scott Turner, Cal Jammer.
From: Pleasure
Erotic Rating: Hot

Sordid behind the scenes look at director Paul Norman making a sleazy celebration of America's most unspeakable sex act. Norman comes on to rant and a rave, tell his curvacious cast to basically say anything and get on with the sex, and yell action, probably making this a relatively true to life look at the typical porno production.

Getting it on at the drop of a cigarette butt are big chested Chantilly Lace, who only works with her beefy boyfriend Marcello but makes a sudden, horny exception for Cal Jammer, who nonchalantly balls her doggie style. Nubile cocktease Francesca Le gives Jon Dough's hard dick a torrid taste of her twitchy tongue treatment and later locks loins with Nick East; and blonde sexpot Shayla, who also balls Jammer, getting thoroughly crammed in the process. Chantilly, a finally balls Marcello in a scene that is red, hot, and gooey. This is trouser tightening X-rated fare.

1992, 79 min. Directed by Ed Powers.
Cast: Ed Powers, Randy West, Angela Prima, Pierre Swami, Micki Wantashi, Myria, Sabre, Angel, Francesca Le.
From: 4-Play
Erotic Rating: Hot

Ed Powers presents another edition of his pro-am porn series where he finds and seduces new talent on camera.

Angela Prima is a little brunette with a teenager's tits and a hooker's appetite for sex. Ed does her for a bit and then she masturbates herself to ogasm. Randy West then takes a crack at Angela's crack in a nasty hotel room hump. Here, Ed starts rambling so hit the fast forward. Sabre and Myria find themselves in bed together and we find out this is Myria's first time with a women. Sadly, it's obvious. A chunky little oriental girl, Micki Wantashi, shows off her stuff then boyfriend Pierre Swami helps himself to her wares. Another piece of trailer park trash, Angel, lets Ed have his way with her and not so surprisingly she keeps her eyes closed the whole time. Smart girl. Francesca Le fucks Ed. Then Ed does Micki and we're outta' here. More of the same from the two luckiest bone heads on earth.

★★

1992, 120 min. Directed by Ed Powers.
Cast: Ed Powers, Natalte Tizara, Cassandra Dark, Heather Lere, Aldo Sneed.
From: 4-Play
Erotic Rating: Warm

Essentially, this new extension of the series is just an excuse for Ed Powers to make unedited movies and stick a couple extra words in the title to make it seem more impressive. So if all the bullshit banter and improvisations of the other series bored you to tears, this one will put you in a coma!

Natalte and Aldo fuck first. She's cute, he could stand to lose about, 100 pounds! But hey, Ed wouldn't want any guys in his videos that were more handsome than himself. Nuh, unh. Heather Lere tries to lend some credibility to a scene with Natalte, but it's no use. Natalte does herself with a big dildo. Aldo gets it back up and subjects Natalte to another distateful display. Cassandra Dark tries the Heather Lere trick with Natalte and fails. Ed and Cassandra and Natalte make us watch them one more time and then finally it's over with. Yawn.

ADULT VIDEO NUDES

★★½

1993, 90 min. Directed by Scotty Fox.
Cast: Kelly O'Dell, Alex Jordan, Peter North, Jonathan Morgan, Rebecca Bardoux, Crystal Wilder, Ron Jeremy, Terry Thomas, Leanna Foxxx.
From: VCA
Erotic Rating: Warm

A tongue in cheek look behind the scenes of a double-dealing adult video trade magazine where politics, advertising and awards are given equal consideration with sexual favors.

Unless you are on an intimate level with adult video trade journals, this behind the scenes look will leave you in the lurch trying to figure out the gags, which at best are sophomoric and self indulgent. The motivation for the sex is based on editorial approval, which makes sense considering an trade mag editor wrote and assistant directed this mess. The egotistical self indulgence will keep you fast-forwarding through this tape, which offers somewhat of a payoff when you see how well lensed the sex is at times. The editing is choppy and some of the scenes never take off. Here's the humps: O'Dell does the editor (North); O'Dell and Rio in a quickie girl-girl; Jonathan Morgan and Rebecca Bardoux in a goofy scene; Morgan (again) with Alex Jordan; North, Crystal Wilder and Terry Thomas in another; and Leanna Foxxx and Ron Jeremy putting a capper on things. Not soon enough for us though.

BEHIND THE SCENES

★★

1992, 78 min. Directed by Milton Ingley.
Cast: Flame, Victoria Paris, Cassidy, Marissa Malibu, Sean Michaels, Cal Jammer, Kiss, Angela Summers.
From: Midnight Video
Erotic Rating: Warm

Not a movie about the making of a porn movie, it's a real, documentary-like examination of what happens when the lights go on and the cameras start rolling.

Flame and Cassidy are the first to go at it. Victoria Paris and Sean Michaels take the next tumble between the sheets. Biff and Marissa Malibu contribute their carnal expertise to the experiment at hand. Cal Jammer and Cassidy fuck. Cassidy and Kiss lick a bit of labia. And then Victoria takes one more turn on the fun wheel with Cal Jammer. While the sex is definitely hot in spots, there's so much talking and cutting back and forth and lots of sophomoric, facial and genital close ups that it's hard to keep the mood the entire time unless you're really, really curious about this kind of thing. You decide.

Blonde dong-teaser Shayla LaVeaux plays poison candy, starring as a young cutie who looks innocent but makes the most of her pert breasts, hot mouth, tight little vulva and curvy ass, leaving erotic mayhem in her wake.

The flick centers around her slow corruption of torrid suburbanites Woody Long and juicy newcummer Celeste. A little voyeurism, fellatio and blackmail turns their marriage topsy turvy, and in the process, Shayla gets in some hot boffing with Woody, as well as lesbo lust with her slutty galpals, Patricia Kennedy and big boobed Alexis DeVell. And there's also a sudden come on to cable repairman Steve Drake, though she passes off his hard dick to Celeste, and a threesome with Patricia Kennedy and Long that is stiffening to say the least.

Shayla is finally thrown out and gets picked up by E.Z Ryder in his truck. She blows and fucks him, steals his truck and hits the road for the carnal continuation, *Wild In Motion.*

BEHIND THE BLINDS

★★

1993, 85 min. Directed by Rik Jones.
Cast: Lacy Rose, Alana, Rick Masters, Jeff Scott, Tanya Rivers, Tara Gold, Maverick, Antonio.
From: Visual Images
Erotic Rating: Hot

Mail carrier Lacy Rose leads us on an erotic trip through her mail route when she shows how much fun voyeurism and civil servitude can be these days.

A low budget banger where they saved tons of dough on the male cast, mostly using ordinary looking louts who can and can't get it up. We open with the hot looking Tanya Rivers fucking a guy who we would guess she never would screw if she weren't paid for it. Tanya and Tara Gold get into some girl-girl outside on a bike. Alana has to wait for her hubby to let her into their home. He brings along his tailor for an eventual wife poker. Lacy gives up her hole to Rick Masters and another guy with the ease of delivering a first class letter. Bulk mail porno with only a hint of heat and professionalism here.

1992, 70 min. Directed by Rex Borsky.
Cast: Sean Michaels, Lacy Rose, Joey Silvera, Francesca, Heather Hart, Ron Hightower, Chrissy Ann, Randy West, Tom Byron.
From: Rosebud
Erotic Rating: Hot

As is always the case with the folks at Rosebud, there is no story line. And the title sez' it all. Yeah!

Sean Michaels bones Lacy Rose right off the bat, while Joey Silvera tangles with some pretty little girl who's face we never see enough to tell who the hell she is. And pity too, she's a wicked little cock sucker. The slithery Francesca lowers her steamy little snatch hole over the bulging cock of Tom Byron in a totally over the edge sexing. Ron Hightower and Heather Hart bump the thermostat up a couple a more degrees as they intermingle in the most carnal of ways. Chrissy Ann then rides Joey into the ground one last time, while Randy West gets rode hard and put away wet by Lacy Rose. This isn't the most gorgeous piece of work you'll ever see and the total lack of plot is more than a little noticeable, but if you're more interested in the sex than in the script, you're gonna love this one. We did.

BACKDOOR BRIDES, PART 4

★★★★

1993, 75 min. Directed by F.J. Lincoln.
Cast: Tracy West, Skye Blue, Ona Zee, Nicole Mitchell, Randy West, Joey Silvera, Celeste, Marc Wallice, Nasty Natasha, Cal Jammer.
From: Paradise Visuals
Erotic Rating: Volcanic

Tracy West stars as the blushing bride who gets some strange advice on what her and her fiancee should do on their wedding night.

Ona Zee is the first to put in her two cents, recalling a heated wedding night with Marc Wallice. Tracy, meanwhile, gets a call from her fiancee and tries her hand at a little over-the-line lovin'. Its a torrid scene even though Joey Silvera lurks in the background whacking his pud throughout. Randy West shows how he would tame a wild bride, stuffing some newcomer so thoroughly that he spurts while still inside her, leaving his cumshot bubbling out after him. Marc, Cal and a stripper throw a bachelor party and even though no one shows up, everyone comes. Tracy's fiancee finally arrives and (surprise!) it turns out to be Skye Blue. The two lovers start a very nice-looking sappho that soon turns into a very naughty, strap-on sex scene. The closer finds Joey dipping his wick into the hole of Celeste in another well captured specialty stuff. Plenty of hot, original action puts this well above average.

BONNIE & CLYDE *(The Director's Cut)*

★★½

1993, 87 min. Directed by Paul Thomas.
Cast: Ashlyn Gere, Racquel Darrian, Randy West, Derrick Lane, Alex Jordan, Nikki Dial, Francesca Le', T.T. Boy, Micky Ray, Nick East, Jonathan Morgan, Tom Chapman.
From: Vivid
Erotic Rating: Warm

Paul Thomas presents a porn version of the most notorious bank robbing couple from the Depression era. Ashlyn Gere and Randy West are featured in the title roles.

Thomas gussies up his cast in period clothes and props and has them fuck. That's about what this one is about, other than a lot of bad accents and pedestrian porn pokings. We wanted to care more about the sex here, but nobody cares much to pursue anything deeper than a thrust. Gere is just okay, not one of her better roles. The Darrian and Lane characters are also just mere sketches. Gere and West wham with a j.o. finish. Francesca Le' and Nikki Dial get into some action, joined by Nick East and Micky Ray. Racquel and Derrick do it; Alex Jordan triads with Tom Chapman and Jonathan Morgan and Ashlyn and Randy trade off with Racquel and Derrick. Seeing as how ordinary the Director's Cut (sent to reviewers instead of the retail version which is in two parts), we feel even less enthusiastic about the bait and switch that's going on with Paul Thomas movies these days.

From: CDI
Erotic Rating: Volcanic

We find Tony Tedeschi drowning his sorrows at a local watering hole, where he tells his tale of woe to anyone who will listen.

First off we flash back to the time Tony caught his babe, Teri Weigel, fucking another guy. This is none other than Buck Adams. Buck and Miss Weigel's shower shafting is definitely major rewind material. Back at the bar, Persia takes pity on this poor slob, Tony, and slobbers all over his dick right there at the table. Jake Williams and Chanel climb up on the bar and carve their initials in it. . .with their backs! Over on the couch, Tiffany Mynx and Tracy Winn fuck for the hell of it in a white knuckle encounter. Then Tony goes home to confront Teri, but she's got Marc Wallice buried ball deep in her box of love and Tony runs off into the carnal sunset. Pud pounding, load spewing sex throughout makes this one a must see.

THE SEDUCTRESS

★★★

1993, 87 min. Directed by Zeke Bear.
Cast: Trixy Tyler, Keanna, Sheila Stone, Crystal Wilder, Chrissy Ann, Leanna Foxxx, Cal Jammer, Tom Chapman, Don Fernando, Tony Martino.
From: Zane
Erotic Rating: Hot

Tasty Trixy Tyler stars as a supernatural sex goddess in this simpleminded fuck vid that hits the erotic spot. Clever video effects make Trixy a Hindu style multi armed goddess of sensual passion, as well as a romantic counselor and sex genie for troubled tongs like Cal Jammer, Tony Martino, and Don Fernando, and their horny wives and girlfriends: curvacious oriental beauty Keanna, cock-crazed Shelia Stone, bodacious Leanna Foxxx and slender, sexy dick licker Chrissy Ann.

Chrissy has a smoldering sequence with Jammer that kicks off this vid. After they get it thoroughly on, Trixy cures the inimitable Don Fernando of his impotence, so he and compact, curvacious Keanna can ball their brains out. Tony Martino has the opposite problem: he can't get it down. Trixy lowers his dick, but busty Leanna Fox gets it back up again with her hot, horny mouth. And stud Tom Chapman gets to fuck the goddess himself. Straightforward, sizzling sex.

EROTICA

1993, 88 min. Directed by Sean Michaels.
Cast: Alicia Rio, Crystal Wilder, Sean Michaels, Randy West, Francesca Le, Lois Ayres, Arlana, Janet Jacme, Luc Wilder, Julian St. Jox.
From: Coast to Coast
Erotic Rating: Very Hot

Crystal Wilder plays a sex therapist who begins to get a little too involved in her work.

With an opening title that reads, "From the imagination of Sean Michaels" (?!), on down to the quotes pleading for racial unity credited to him, one could make a strong case that Sean has lost his mind—or owns a synthetic version of a Spike Lee/Madonna mind meld. Be that as it may, Michaels has not lost his touch at directing a hot sex sequence. Alicia Rio is first up to reveal all to doc Crystal Wilder and what she recalls is a very sensually captured and couples oriented stuff with Randy West. Lois Ayres and Francesca Le are next up in a red hot girl/girl that finds Lois catching most of the action. Ariana and Luc explore the wonders of wrapping silk scarves around wrists and inviting black, hooded men over for three-ways. Then Janet Jacme spins a quick fantasy dance sequence with Julian St. Jox, before Crystal has a red hot, solo encounter. For the surreal closer, Crystal plays a fantasy hooker who artfully seduces passerby Sean. Weird but well-done.

Hooray for Neutron Man! Back to reality, Melanie and her friend, Kiss, suck some cunt. Jonathan Morgan and Brittany swop some body fluids. Then Neutron Man pops back off the page and pops into the waiting hole of Melanie Moore in yet another four color fuck. From: VCA
Erotic Rating: Hot

When a college fraternity announces the mascot position is open, women flock to them offering sexual favors in the hope of getting the favored post.

This must be Slacker University, because these "students" have more than questionable brain power and acting ability. Fortunately, the Summer Knight and Alex Jordan lesbian scene is one of the best of the year, making this slightly irritating cheap video become minorly ingratiating. We get plenty of fast lane sex action with little concern for continuity or purpose. Meekah does a duo of pussy pack scenes with Bobby Brown and Mikel Karr, sandwiched by the high voltage sappho of Summer and Alex. Alicia and Chapman cram and Leanna and Jake jam. Colorful and long on carnal exposition, this movie could have used a better script large dose of creativity on the part of the director.

1992, 76 min. No director credited.
Cast: Christine Appleleigh, Mickala, Jonathan Morgan, Jerry Butler, Toni Chase, Steve Drake.
From: Legend
Erotic Rating: Warm

In this slimly plotted tale of suburban sex lives, we watch as a series of couples can't seem to stop from screwing around despite being married.

If they had a script for this feature, somebody obviously forgot it. It just goes to show who has improvisational ability, and who doesn't. Morgan and Butler do. The rest of the cast don't. We open on Jerry in bed with Mickala. They have a spirited but poorly lensed fuck. Steve Drake and Christine Appleleigh are up next after she tells hubby Jonathan Morgan that she doesn't fuck around. Appleleigh is plain, and made to look even plainer here. She just comes off looking butt ugly. Morgan's pay back for his wife's infidelity comes when he crams in some spite fucking with Toni Chase. Christine and Mickala make it next when only a woman can console the troubled wife. Then it's Toni Chase and Jerry Butler next. The only combination left undone. You won't even unzip if you take this turkey home. Legend was smart to leave the director credit off here.

MYSTERY OF THE MALTEASE DILDO

Cast: Marissa Urbiki, Ona Zee, Andrea, Mike Horner, Cal Jammer, Jonathan Morgan, Ron Jeremy.
From: Stroker Video

If you couldn't guess it already, there's this Private Eye, Horner, and this rich lady, Ona Zee who hires him to find the Maltease Dildo, but her husband, Jonathan Morgan, is after the thing too and he's a bad man. And the rest. . .

Scene 1: Horner's secretary, Andrea, comes in for some dictation and they fuck. "Yawn." Scene 2: Ona shows up to convince Mike to take the case and they fuck. "Puh-lease!" Scene 3: Flash back to Cal Jammer and Jonathan giving it to Miss Z in tandem. "Pass the No-Doz, quick." Scene 4: Andrea is some big, ol' foreign bitch and when Horner comes to the house and meets her, they fuck. "Waiter, another pot of java. Now!" Scene 5: Ona and Marissa gobble some gash for no good reason. "Whoop-dee-fucking-doo." Scene 6: Ron Jeremy makes a cameo appearance strictly so he can get laid and he fucks Ona with the Maltease Dildo." Conclusion: Some porn mysteries aren't worth solving.

This is the story about a bunch of bitches that fuck. Victoria Secret and Angella Faith are the first to suck some cunt and this is a knock out, drag down lezzing of the most plasticine kind. Victoria is drop dead gorgeous, wriggling with delight as Angella fills her crack with 12 inches of buzzing dildo fun. Sharon Mitchell and Holly Ryder bump bushes next in yet another zipper busting scene. Teri "Torpedo Tits" Diver and Mona "I Left My Personality At Home" Lisa do the face squat square dance and work themselves, and us, into a serious lather. Lacy Rose and Simone tangle their twats together. Simone is a sleazy blond with a bald beaver that's sure to please the most degenerate of porn fans out there. Finally, Lili Xene and Honey Jarre go at it, but by now nothing can match up to Simone's glistening clean clam and we find ourselves groping for the rewind button. Cast: Alexis DeVell, Crystal Wilder, Jonathan Morgan, Tom Byron, Lois Ayres, Marissa Malibu, Jon Dough, Mona Lisa, Celeste.
From: X-Citement Productions
Erotic Rating: Volcanic

When a young woman (DeVell) inherits a failing strip club, she turns things around despite the attempts of her evil step-aunt (Wilder) to ruin her business plans.

The dumb storyline moves out of the way pretty fast here and we get right down to some riveting sex action. Jonathan Morgan gets put through the paces by Crystal Wilder for wimping out on his spying. It's a hot idea and the sex scene works too. Lois and Marissa make mad lesbian love and this is an equally hot sex romp. Alexis gets into it with Jon and T.T. Boy for another quickie tumble. To keep Morgan quiet, Mona Lisa lets him lay into her hot little bald beaver. Tom gets a king triad going with Celeste and Crystal that is the erotic high point of this porn two-parter where the sex is better than the story and the second half is better than the first.

Erotic Rating: Partially Hot

Stasha plays a down on her luck ex-hooker who's boyfriend convinces her to double as a wealthy heiress' twin sister in hopes of cashing in on her millions.

This isn't only merely a mediocre story line, but ineffective as well. And if it weren't for the two heterosexual sex scenes, we would have dumped on this one all together. Stasha, the she-male, and her boyfriend, O'Bryan, fuck in the first scene, but we won't bore you with the details. Kris Newz and Kiss are the servants and they fuck when they think *they'll* get some of the money. Chaz is the third cousin and she and Dizzy fuck when *they* think they're in for some of the loot. These are two sizzling straight scenes that have all the participants at their finest and most erotic. Stasha fucks the anonymous lawyer to get him on her side, but the real Stasha shows up and foils everyone's greedy plans. If you see Stasha, fast forward to the hetero scenes, quick. They'll knock your dick in the dirt.

First Alicia and Heather revive Morgan's dick with their tongues, taking him on two to one while Crystal watches. Then Crystal gets her unconscious wish and soon has Drake's fat dick between her luscious lips. Tom Byron plays a guy who gets caught up in a strange world when he follows a bar patron (Alexis DeVeil), into a house where sexual things happen to and around him.

There's a distinct problem with the color balance in this videotape that makes everything heavy on the red and orange tones. This proves distracting when it doesn't change with location. Performers look sunburned and it makes the actors' scrotes look like delfated basketballs. This is a rush-rush video that doesn't make sense (and we know it's not supposed to) on any level. The sex is awash in reddish orange skin tones, so much so we kept fast-forwarding till the bitter end. Byron goes inside a house where Alexis DeVeil and Melanie Moore do a girl-girl, leading him into a room where he bangs Sierra and Moore. He watches Heather Hart and Terry Thomas fuck. Marc Wallice screws bartender Meekah next followed by Tom's eventual fuck with Alexis. Nothing gets resolved when we would have been happy had they fixed the color.

Dr. Wallice and Nurse Miyagi do it next. T.T. Boy's a. . .er, well. . . let's say he's a patient and he crams his cock down Mara's silken throat. British couple Kiss and Kris Newz lead off in a poorly lit prober where the hot close ups make up for the lack of good lighting. Domonique and Sheila lez out in a rehearsal room after we watch Simone strut, shimmy and serve up a sex rap song with a rock band. Stone and Simone have strong orgasms and the close photography is a boon to stroke crazed pornophiles. New to the porn business at the time of shooting, Micky Lynn gets lead through a lusty lap and fuck session with veteran swordsman Randy West who works over the tight and tender box of this teenage cum queen till we were ready to jump through the screen and tap him on the shoulder. In this installment of video porn mag hardcore, J.B. gives an editorial about supporting the right to bear arms and we're off to watch three fiery fuck and suck encounters.

Alex Jordan fucks her dream dick, Steve Drake. Jordan is red hot and has a lovely pussy that Drake expertly drills till he spills on her centerspread at scene's end. Tracy West and Skye Blue bang their little dyke hearts out on a motorcycle in a nasty little scene where they play to the camera and Tracy takes a big thick strap on from Skye, seeming like she could have taken a lot more. Randy Spears is paired up with Rebecca Wild for a caveman style screw. Randy likes the small snatch of Wild so much, he can't help but heave out back to back loads on her randy body. Rebecca is a nasty lass and the overall heat in this tape makes it a fun and masturbatory delight. Forget about what you read about some of the earlier editions of this series (and some of that you read here), this series is a smoking sexual and political porn reason to be cheerful.

True, this is a totally stupid set up. And true, director August West is pretty much a hack at shooting this stuff. But still, things get mighty hot once the guys and girls get their clothes off. Jade East fucks Tom Chapman. Cal jumps the bones of Honey, who's a nasty little bitch that doesn't look old enough to vote. Cal gets it back up quickly and plugs Brigette Aime's hole. Trixy and Jake Steed flop around on the couch for a while. And finally Honey and Tiffany contribute the "little girl lesbian" thing in a great gash eat and suck fest. Nothing spectacular to look at, still this will give you minutes of pud-pulling fun time and time again.

Trailer park porn queen Brazil stars in this idiotic but erecting story of a repressed South American princess who unlocks her long dormant libido on a trip to Washington D.C. with her uptight, domineering dad, The King, played by Mike Horner.

Horner intends to lock Brazil in her hotel room, so he can ball luscious Brittany between meetings with the President, but the hot blonde escapes to the nearest topless disco, cuts loose with a striptease and then samples some of Peter North's whopper cock with her dick starved wide wanton mouth. Stripper Crystal Wilder makes it a horny threesome. Then T.T. Boy gets into the act, taking Brazil away from her jet-hopping cosmopolitan lifestyle and introducing her to the wonders of his stiff dick, and then New Jersey. Dad accepts his daughter's decision, then gets a blow job from the Queen, and that's that, which is plenty. From: Paradise Visuals
Erotic Rating: Hot

Lovers of politically incorrect porno will find their kicks in this Patti Rhodes-Lincoln scripted tale of three homeless chicks who happen to be red hot lays.

Luckily, the questionable story line proves to be a throw-away as veteran helmsman F.J. Lincoln focuses on the sex. Down-on-her-luck Domonique Simone is the first to be invited into a mansion by caretaker Tom Byron. Dom bathes, then bones Tom in a short scene with some great angles highlighting Tom's cunt-lapping skills. The sexing is so satisfying that Tom throws open the doors to Dom's other homeless friends, Nicole London and Sierra. Naturally, as soon as the three are left alone, these hobos get girl homo. Unsatisfied, even after a double dildo dorking, Nicole digs F.M. Bradley up from the porno MIA file to finish her twat off. Then while Tom polishes off his day poking Janet Jacme, home-owner Sean Michaels returns to find Sierra warming his sheets. Luckily Sean is too tired to argue, so he just curls up inside Sierra and finds some red-hot release after a long hard day. Well-lensed, nicely lit sex, with only a sound problem and a gauche story marring the experience.

Francesca practically lights the kitchen on fire as Max baby gives it to her on the chopping block. And last but not least, a cute brunette named Becky gets the life fucked out of her by a guy who's face we never see, but it's his dick that does the trick here, so what the fuck. Cast: Keisha, Gail Force, Jerry Butler, Steve Drake, Sharise, Charlotte O'Hara, Chessi Moore, Saki St. Jermaine, Nick E.
From: Intropics
Erotic Rating: Warm

Jerry Butler and Steve Drake play businessmen who discover one day that they are bankrupt. Deciding that their girlfriends will leave now for sure, the boys decide to fuck them over first.

Unless numerous spite fucks are your bag, this technically suitable film will definitely leave you wanting. Nick E. and Sharise work through a variety of positions in a boff that looks like, feels like, and proves to be, filler. Steve reminisces about that "special woman" in his life as he shares a very nicely lensed cowgirl ride with Keisha. Jerry then convinces the rather hefty Charlotte to try some ultimate stuffing in scene that's nasty in every sense of the word: raunchy, mean-spirited, and ugly. Another pointless filler scene—this one a girl-girl that only occasionally comes to life—and then Gail Force gives in to Steve in the same way Charlotte did to Jerry. Gail is a hell of a lot prettier, but the scene degenerates from a great blow job, to a good fuck, to a passable fuck. A few moments of genuine lust prove hardly worth the stretches of resigned stuffing.

Five unrelated sex scenes that have the commonality of exotic sex for the most part.

Four out of five decent fucks are enough for us, especially when one of them is a stroke commanding crammer. Even more so, when that comes first. It's Anisa giving it up to Sean Michaels then Marc Wallice. This slant eyed slot loves slot stirring more than any other Oriental in porn history and is a pure prurient joy to watch getting her clock cleaned. We get a minor girl-girl with Francesca Le and Domonique turning into a hot triad when Tom Byron takes his dick out. From here, it's exotic sex all the way home. Anisa gives it up to Marc again, seeming more into it the second time around. Her hole opens wider then most other pussies we've seen. Tiffany Mynx and Marc Wallice go at it while Tom and Anisa do it off to one side. We're treated to a fuck video fun fest with both girls giving it up to the boys. Anisa's scene ends with a gaping gash drizzled in dick slop while Tiffany's pussy throbs with delight over the sperm washing it gets. Amazingly erotic exotic fuck action with no plot to interrupt your stroking. Very well shot too.

A. ROOKIES

★★★

1992, 83 min. Directed by Rex Borsky.
Cast: Francesca Le, Flame, Randy West, Sean Michaels, Domonique Simone, Tiffany Mynx.
From: Rosebud
Erotic Rating: Volcanic

A series of sex scenes with an exotic sex theme in the majority of encounters.

Calling the fucking of Flame, Francesca Le and Tiffany Mynx rookie sessions is a moot point. It's like the chicken or the egg. Don't ponder too long though, because we dive right into hot and steamy sex with Randy West working his wiggle worm up the easy opening of Francesca Le. Sean Michaels gives a randy slam to Flame with a hot half-way in finale making the pasty redhead grunt like a pig. A double scene where Sean and Francesca fuck while Domonique and Randy screw at the other end of the room follows. Tiffany Mynx appears on a bed with Francesca and they fool around before Randy West walks in and give the girls both some stick before snapping up the ready cooze entrance of Francesca for the exotic ending that porn fans hope for. Don't buy this one for the plot, but make sure to stop off for tissues on the way home!

HONEY DRIPPERS

★★★

1992, 81 min. Directed by Buck Haley.
Cast: Jo Jo, Tianna, Zarrah, Faith LeVette, Detroit, Xoshi, Kitten Crede, Mia Sophia, Jaguar, Star, Roxy.
From: Rosebud
Erotic Rating: Hot

An almost wordless series of sex scenes punctuated by very vocal sex sounds from a cast of real San Francisco lesbians who fuck each other in various combinations in locker room and health club scenarios.

For those of you who enjoy the real thing when it comes to girl-girl movies, this is for you. All the women are brand new to adult features and are attractive. They sport tattoos, multiple piercings and still maintain the lipstick lesbian looks that turn hetero guys on. And they have real lesbian sex. Not porn lesbian sex but the way dykes do it when men aren't around. That means no peaks and valleys. Just a lot of rubbing and fingering of fuck holes with little concern for the male oriented orgasmic frenzy finales we're used to seeing from regular porn stars. This thing lacked good camera angles and times, and wasn't as hot as it could have been, but for those who want the real thing, look no further than this unique title.

PRELUDE

★★★

1992, 76 min. Directed by Jim Enright.
Cast: Sierra, Ona Zee, T.T. Boy, Mona Lisa, Sean Michaels, Melanie Moore, Randy West.
From: Video Team
Erotic Rating: Hot

T.T. Boy plays a concert pianist *(Ed. note: Is this a comedy?)* up for a big scholarship and to brush up his skills, he enrolls in an advanced class taught by Ona Zee. The results, of course, are totally, 100 percent carnal.

At the first lesson, Ona spaces out over a picture of two ballerinas and suddenly Melanie Moore and Mona Lisa are dropping their tutus and dipping their tongues in each other's twats. Ona takes T.T. to a concert, er, make that "Concerto" and Boy gets cold feet, but this doesn't stop Ona from fucking Sean Michaels and Mona Lisa right there in the balcony. T.T. finally gives in and fucks Ona, but when his wife, Sierra, figures it out, she spite fucks Randy West in the very next scene. Finally Boy and Sierra make up and make out and make like a couple of fuckin' farm animals in heat. Quick somebody get the hose! This is classy, carnal stuff perfectly suited for couples from a director who's finally figuring out what's hot and what's not.

CONSTANT CRAVING

★★★

1993, 80 min. Directed by Jim Enright.
Cast: Sierra, Rebecca Bardoux, Melanie Moore, Brittany O'Connell, Randy West, Chuck Martino, Joey Silvera.
From: Vidco Entertainment
Erotic Rating: Hot

Luscious blonde Melanie Moore is trying to keep one step ahead of Sierra's constant cravings, which boil down to one constant craving: for cock, though a nice warm beaver will do in a pinch. When she sends Randy West in to keep Sierra from a cig, the dick-crazed brunette ends up with his cock dangling between her wanton lips.

While West boffs Sierra doggie style, Ms. Moore is having her pink gash tickled by hunky boyfriend Tony Martino, who drops by for some slit. When Tony gets through, Melanie calls Sierra's therapist, tasty Brittany O'Connell, who listens to her complain while Joey Silvera eats out her hot twat. Then Joey and Britt have a lengthy therapy session, while West makes it with lusty, bodacious Rebecca Bardoux. He licks her into a fuck frenzy, then balls her doggie style. Finally Melanie and Sierra go twat to twat for some hot muff diving. *Constant Craving* is silly, but nonetheless, satisfying sexual fare.

MY BABY GOT BACK

★★★

1992, 90 min. Directed by Ryan Rene' Taylor.
Cast: Domonique Simone, Janet Jacme, Ron Hightower, Julian St. Jox, Persia, Lorna Dee, Toy, Jerid (Rick Masters), Jimmy Z.
From: Video Team
Erotic Rating: Hot

When a prominent black jeans company is looking for a new angle to promote their pants, they don't have to look much further than the rear ends of the women in and around the company. The fun begins when the women campaign for the spot of top model who will be featured in print and television ads.

This packed with sex action almost all black sex tape is a rarity in the white dominated world of video porn. Produced and directed by African-Americans, this jam packed porn is a taste you won't get much of these days. Too bad, we really need more unique product like this on the market. The butt theme works well, with seven red hot sex scenes keeping the pace going from the beginning to the end. First up is a hot opener with Persia and Ron Hightower. Domonique and Lorna have a spicy 69 session on a massage table; Janet and Jimmy sex it up at home; Jerid and Toy are a throwaway—he's not erotic at all; Lorna and Ron get things back in gear and Domonique and Jimmy sweat up a sexual firestorm in the finale fuck. Who wins? The viewer in this case. Check it out.

A. CUTIES OF CHINATOWN

★★★

1992, 84 min. Directed by Rex Borsky.
Cast: Anisa, Cassandra Dark, Marc Wallice, Tom Byron, Misaki, Fantasia, Randy West, T.T. Boy.
From: Rosebud
Erotic Rating: Volcanic

Plotless porn shot in what appears to be a whorehouse situation with an exotic sex theme.

We're not sure about the plot, but we're guessing it's a brothel. Anisa is the star here, a randy sex starved strumpet who delivers a dynamite sex scene all of the time. She opens with a hot fuck with Tom Byron; then we follow Marc Wallice enjoying Fantasia and Cassandra before settling on stuffing the slot of the latter. Tom Byron returns to porn the plump Misaki in her wide open snatch while Randy whams with Anisa. T.T. Boy turns up in a banger with Cassandra while Marc makes mincemeat out of the cunt muffin of Misaki. Asian porn freaks will find stroke gold here.

A. CUTIES OF CHINATOWN II

★★★

1992, 83 min. Directed by Rex Borsky.
Cast: China Mai, Cassandra Dark, Marc Wallice, Tom Byron, Misaki, Fantasia, Shawnee Cates.
From: Rosebud
Erotic Rating: Hot

More plotless porn shot in what appears to be a whorehouse situation with an exotic sex theme.

Make no mistake, they don't waste words in this series. We open on Marc Wallice getting right down to it with China Mai and Fantasia, who is really porking out here. We barely recognized here from earlier productions. She catches his cock and almost swallows it whole. From here, we get Tom Byron blasting dick fire into Shawnee Cates while China Mai takes a dildo in her dick catcher. China, Fantasia and Cassandra come back for a sapphic triad, joined by Byron for more fun. In the finale, we get more Tom tussling with the chubby and bland Misaki. The hot photography and fast pace account for the generous rating. You will get wood here, you just may not be able to unload is all.

★★★

1992, 84 min. Directed by Rex Borsky.
Cast: China Mai, Cassandra Dark, Marc Wallice, Tom Byron, Misaki, Shawnee Cates, Randy West.
From: Rosebud
Erotic Rating: Hot

Still more plotless porn shot in what appears to be a whorehouse situation with an exotic sex theme.

Rosebud should consider recruiting a new series of Asian sluts and a different location if they plan on continuing this series. We see the crew in the mirror above the couch where much of the cramming takes place to the point of distraction. The sex is all well shot and very hot though, so we're able to tolerate these minor gaffes. Randy and Cassandra start things off with a hot fuck; T.T. Boy and Shawnee Cates have a vigorous rutting session next. Misaki gets a little more into it this time out taking a tandem poker from T.T. Boy then Randy West, who doesn't seem all that thrilled with drilling the love tunnel of this fat bottomed girl. Shawnee Cates comes back with slant eye make up aplenty. She gives a great fuck to Marc Wallice to make up for her lack of pure Asian blood. China Mai, Fantasia and Shawnee screw next with Randy West getting sex chores with the chunky Fantasia who looks like she's about to cough up her lunch when Randy starts slamming her. Hot sex makes up for the lack of budget and real Oriental women here.

NIGHT CREATURES

★★

1992, 78 min. Directed by Sean Michaels.
Cast: Patricia Kennedy, Alicia Rio, Lois Ayres, Crystal Wilder, Marc Wallice, Tony Martino, Cal Jammer, Sean Michaels.
From: Pleasure Productions
Erotic Rating: Hot

Crystal's jogging one night and she gets bit by a bat. This here's your typical girl meets bat, girl fucks boy, girl kills boy, girl goes back to bat, kind of story line.

Crystal fucks Tony Martino right off the bat (Yuk, yuk!), then kills him. Alicia Rio is a librarian who gets in Crystal's way first and then in her pants next. Then *she* dies by the fang. Alicia takes on Marc Wallice and Lois Ayres and they too end up nocturnal creatures. Patricia is another vampire bitch and she gobbles up Cal Jammer's body fluids no problem. And Sean Michaels is a cop or reporter or something, but Lois takes care of him in more ways than one. This is nothing new and certainly nothing spectacular, but there are a few scorching moments here and there. Maybe Mr. Michaels shouldn't stay too far from the hood and stick to what he knows . . . hot, African-American and interracial sex.

NIKKI'S NIGHTLIFE

★★★

1993, 74 min. Directed by John T. Bone.
Cast: Nikki Dial, Lacy Rose, Sean Michaels, Tracey Adams, Steve Drake, Misaki, T.T. Boy, Jerry Butler, Chelly K'cee, Ron Jeremy.
From: Intropics
Erotic Rating: Hot

Nikki Dial stars as a woman who spices up her boring life by imagining her neighbors in a variety of sexual situations.

The video opens with one of those soft-light, soft-focus, "fantasy" scenes between Nikki and Steve Drake. The action is ordinary but Nikki is undeniably extraordinary. Nikki then listens in as neighbor Ron Jeremy "lovingly" (Nikki's word) pounds away at Misaki. Jeremy eats Misaki then he pounds away at her. There is a superb insertion shot in this scene as Jeremy switches gears. The next day, Nikki re-thinks the scene, this time picturing the neighbors as Sean Michaels and Chelly K'cee. For the film's centerpiece, Nikki conjures up a wild three-way between T.T. Boy, Lacy Rose, and herself. Underline the word "wild" for the scene where we find Nikki strapping on a dildo to help Boy dork the cock catcher of Rose, then letting T.T. spew into her mouth when he pulls out of Lacy's greased cunthole. For the finale, Jerry Butler and Tracey Adams prove there is sex after porn middle age, even if nobody really wants to see it. Nikki is hot and she proves here she can be as nasty as she wants to be.

ULTRAHEAD

★★★

1993, 90 min. Directed by Jim Enright.
Cast: Sierra, Rebecca Bardoux, Celeste, Micky Lynn, Jonathan Morgan, Marc Wallice, Randy West.
From: Caballero
Erotic Rating: Volcanic

This oral extravaganza stars highly fuckable babes like sleek brunette beauty Sierra, hot Rebecca Bardoux, and nubile Celeste and Micky Lynn as pretty much suck happy slatterns who can't seem to keep hard cock from their luscious lips, in this fantasy feast for die hard fellatio fans.

The flimsy plot finds Marc Wallice unwittingly taking oral nympho Sierra on a blind date with his unctuous and overbearing boss, Randy West, and setting off a sucking frenzy that infects the busty waitress, Celeste, as well as the bosses tasty wife, Rebecca Bardoux. Meanwhile back at her place, roommate Micky Lynn is filling her pretty mouth with Jonathan Morgan's fat dick. Finally and fittingly, the flunky fucks the bosses wife, and Wallice and Rebecca really hit it off, providing *Ultrahead* with a sweaty, sheet gripping finale.

THE BUSH LEAGUE

PSSSSST!

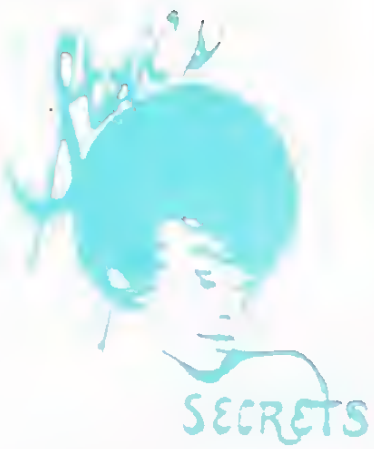
WANNA HEAR A SECRET?

by Preston Royal

Stevi eases back for a hoob buss from porn queen turned amateur ginch Venessa D'Oro.

The Scene: I'm sitting in my living room, sipping a Mickey's Big Mouth, gnawing on a Slim Jim, and wondering what strange amateur adventures the winds of fate have blown my way this month when I open a parcel containing "Stevi's Secrets." The black boxes are hand-decorated with cut-out photos of the performers, each one lovingly Scotch-taped to the cover. The logos are hand-lettered, and the whole package looks, well, *home-made*, "My God," I mutter to myself. "Have I stumbled upon an honest-to-gosh amateur tape that doesn't have Max Hardcore, Ed Powers, or their ilk?"

Indeed, I have.



To be sure, the packaging bears little identifying marks other than a Vegas address for the "Keeper of the Records." And the tapes themselves look like they were shot on home quality equipment, giving the productions that cheap, sleazy feeling that this writer believes is a prerequisite for fine amateur smut.

The credits for these tapes also bolster their Bush League status, and are reminiscent, in their own way, of those used on the famed "Mr. Bill" series. There's no slick "video toaster" work here, just rank amateurism, the kind that boners are made of.

The first tape I watch is called "What's Cooking," which opens with a blonde making dinner in the kitchen of a messy house. The blonde, who the credits introduce as Christy, reminds me of one of those cute grocery check-out girls, sexy yet kind of tough. Well, not so tough as to prevent her from cooking dinner wearing nothing but a shirt. Her boyfriend, Robert, comes out looking like the latter half of Hall & Oates, only with tattoos on his arms and too much gel in his hair. They banter a bit about "cooking," then he decides to test the temperature of her mouth with his meat thermometer. *Funny, I've never seen Graham Kerr do that.*

The action moves to the kitchen table as each takes their turn getting blown. Christy has a shaved snatch and a very small chest, but that doesn't seem to bother the insurance man who shows up at the front door unexpectedly. The friendly couple let him in, never bothering to get dressed, which is a good sign that he's either going to get fucked or sacrificed in some bizarre Satanic love ritual. In this scenario, however, the insurance man's sexual adventure is limited to the normal variety, and I do mean *limited*.

After another round of banal culinary double-entendre that ends with the line "Before you cook it you really need to warm it up some" (tell that to Julia Child), we find Christy on her knees with two dicks in her mouth. Well, that's one way of handling a door-to-door salesman my mother never though of. And thank God.

Unfortunately, the salesman forgot to buy some of his own hard-on insurance before entering this den of hypersexuals, and the remaining fuck session consists mostly of Robert and Christy doing the nasty for an audience of one. The salesman *does* eat her out while she's getting fucked—which is noble of him—and Robert cums quite predictably on her face. This tape is unique in that the ending features the salesman running out into the night, stark naked, as if he was ashamed his weenie didn't work or something. It reminds me of a John Cassavetes movie, but that's another story.

The next tape I pop into the machine is called "The Gusher," which proves to have nothing to do with either oil wells or the fabled female "wet orgasm." No, the "Gusher" is not really a gusher at all. It's a guy named Andrew. He cums twice in this tape, which is the only possible reason they

Stevi opens her tongy shaved twat for the hot Hispanic tongue of Vonesso D'Ore.

Cute little cum queen Christy awaits an on camera assault.

Vanesso D'Oro hides her face from the camera.

named this thing "The Gusher." Well, if Andrew is "The Gusher," then Peter North is "Hoover Dam Collapsing." Or something like that.

As the tape unfolds, it's obvious that this isn't a creative outing in the nature of "What's Cooking?" Instead we get the standard amateur intro: the couple on the bed, introducing themselves, then jumping into it almost immediately.

Andrew's co-hort, Alex, is a blonde with large floppers and a taste for cheap-looking white lingerie (which is just great). For starters, they give each other some unexciting head. Then Andrew straddles her face and she blows him, leading into a nice tit fucking sequence. With a flick of the wrist, Andrew has them in a 69 position, then it's up and over into some doggy-style boning. Alex takes it hard and long, then hops off to give a brief blowjob before straddling his cock and riding it for all it's worth. Mind you, it's a short fuck, but intense. He caps the event by coming on her ample tits.

Most sex scenes would end right here, fade out as the couple reaches for a towel and cigarette. But Alex is relentless. She starts licking his balls, then gives him a lusty lap session focusing on his perineum. Andrew's bopping around the bed like a carp on a dock as Alex starts blowing him again—with conviction in her eyes! He honors her by getting hard, licking her snatch, and banging her again *a la canine*.

After a disappointing and ill-fated attempt to put his wang into one of Alex's nether-regions, Andrew resumes his power-pounding of her pudenda as she implores to drive it home "harder and faster." He does, finally, and comes up with enough spuzz to qualify for a second orgasm. Personally, I would have titled this tape something more like "The Double Dribbler."

Stevi, a cute short-haired brunette with a nice bod, is obviously an enterprising young woman, as the three tapes sent to me attest. Stevi also appears in "The Heart Shaped Bed," an all-girl tape featuring Stevi and Vanessa. This Vanessa is no amateur, however. Fans from a few years back will fondly recall a little Latino dynamo names Vanessa D'Oro who came and went in the span of one of, well, Peter North's orgasms. But, as my editor astutely points out to me through my haze of Mickey's, this gal named Vanessa *is* indeed Vanessa D'Oro!

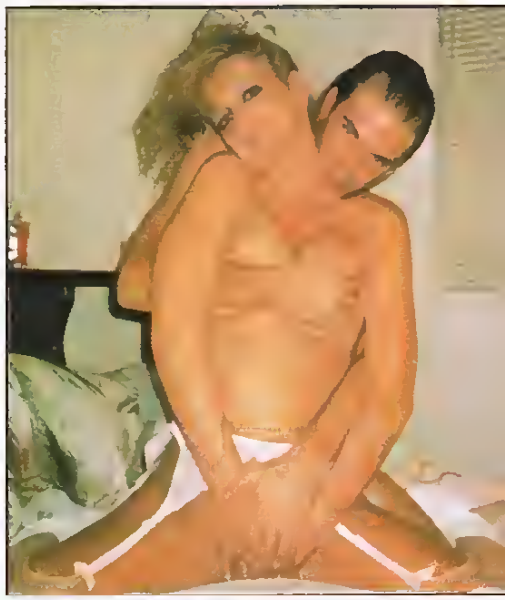
Christy seems right at home with a hard-on near her mouth.

Unfortunately, this third tape does not thrill me like the rest. The gals are attractive, but the action is slow and gentle, which put me to sleep. I think lesbians will dig this tape because the affection (and the action) seems honest and real. Those preferring a Bruce Seven type girl/girl need look elsewhere.

So much for Stevi's Secrets. I guess I let the cat out of the bag.

Sorry.

Andrew holds up the wiggly flopper of his amateur love, Alex.



THE 3RD ANNUAL F.O.X.E. AWARDS

The Fans of X-Rated Entertainment Grow Up

by Jeremy Stone

The Porn Fan Event of the Year Happens in Hollywood When Porn Stars and Sexvid Fanatics Assemble for an Adults Only Awards Show Not to be Missed!

Alicia Rio and Domonique Simone go wild on stage at the Mayan.

The adult video industry owes a debt of gratitude to William Margold for bringing the customers (the fans) out of the dark corners where the general public believes chronic carnal cassette masturbators lurk, and into the arms of the X-rated performers they love. Directors, producers, manufacturers and distributors of hardcore porn material should embrace this opportunity to engage in the honest feedback they would receive from Margold's creation of the Fans of X-Rated Entertainment (F.O.X.E.).

What Bill Margold did in the dawn of the last decade of the 20th Century is legitimize the one element of the lewd movie industry that the sexvid suppliers treat with the kind of disdain relative to the uneasy relationships between pimps and johns, or drug dealers and junkies. Margold created the official fan club of the carnal movie industry. The amazing thing that happened is that after three years of slow, but steady growth, F.O.X.E. met its biggest challenge at their third annual show in Los Angeles on Valentine's Day. After eleven X-rated movie queens and a few others, including Margold, were arrested in Las Vegas at a anti-censorship show for public lewdness, there was an uneasy resistance among some porn insiders about the whole thing happening again.

I stood at the bar at the Mayan with the biggest group of critics congregated since the last X-Rated Critics Organization show last summer. We all felt the industry needs more opportunities to socialize. More parties, events and reasons to remind ourselves we are a family. Oh sure, there's the black sheep, the prodigal sons and daughters, and the good, bad and ugly family members. But, at least we are a family. We all agreed we were happy to be a part of the night. A little bothered by the dark lighting, poor sound and lack of female stars perhaps. But more disturbed by the new reality in the X-rated industry. It's like there is a class distinction now in the business. There are the suits and the unwashed masses. The suits go to horse races together, golf together and avoid the other half. The other half pays the bills with the sweat from their genitals, whether fucking in the suits' movies, or working in and around the video and magazine business, generating millions of dollars annually.

The F.O.X.E. members walked around the Mayan theater with the excitement of young children on Christmas Eve. The Mayan has recently become a dance club with an Egyptian motif. Dark and moody with lots of shadowy corners perfect for the techno-dance crowds. The sound system formed a circle of sound for the center dance floor, while upstairs the balcony gave a telescopic view of the club below that resembled a street lamp shining lonely in a dark alley. You couldn't hear a goddamn thing and people had to get within inches of your face to be recognized and heard above the din of music, conversation and general rowdiness. The place had the air of a poorly booked rock concert that had different and non-complimentary audiences thrown together for one bill. Performers who did show up were often very cliquish, or mobbed by the fans with cameras. Good mobbing it was, on the order of a Shriner's convention with a modicum of respect.

Nina Hartley shows off the goods.

"Domonique Simone and Alicia Rio performed a strip and simulated sex show together that was the erotic highlight of the evening."

The F.O.X.E. members have been bestowed with mini-celebrity status. It's a given they are happy to be there and are generally polite and only occasionally obtrusive. There were enough cameras there to make the uninformed wonder if Prince and Madonna were turning out for a night on the town. The upshot was there was a full bar which did quite a bit to kill the affect of unabashed fan fervor. Nothing was going to stop anybody here from having a good time.

The energy was very positive and there was a definite party vibe in the air at 7pm, the time scheduled for the beginning of the show. The two hours prior was filled by fans pouring in and the few porn personalities who arrived early. The actual show didn't get off the ground till 8pm. By this time, about 600 people had turned out, down from last

Backstage with Domonique and Alicia.

year by a hundred or so. The report from Bill Margold said that about 350 fans voted out of the 1,400 members. In the corridor outside the theater, Angella Faith hawked the new F.O.X.E t-shirts and slithered around other willing female fuck film hopefuls much to the delight of the camera buffs. At various points in the evening, any porn star who would stand still long enough for a flash to pop was met with a circling mob of polite camera bearers, eager to leave with photographic proof of their proximity to their porn fantasies in the flesh. When I ran down to the stage to see what created a sudden surge to the center, Stasha, the she-male sexvid star was being besieged by picture taking and autograph hungry hardcore devotees. I wasn't sure how many of these guys were aware they were getting shots of a pre-operative transsexual. I was even less sure how many of them cared.

Bill Margold took the stage to open the show and quickly turned the night over to Nina Hartley, who filled the room with more sunshine than all the moody lights together couldn't match. The see-thru mini-shirt mesh

The red hot Rebecca Bardoux.

body stocking made you want to reach out and grab her, Nina making sure to show off her best assets to the howling fans. She accepted a special award bestowed by Margold, named the "3-Peat Award", Bill's way of relegating Nina to a sort of F.O.X.E. Hall Of Fame for being a fan favorite for three years in row. This took her out of eligibility for future shows, opening the door for other starlets, elevating her to a permanent place at the top of Fan World.

The night proved an entertainment heavy affair where porn stars got the chance to show they have more than sexual talent in their genes. Some did. Some didn't. Danyel Cheeks performed a sultry striptease with a red heart for the occasion covering her pussy.

Barry Freilich, the Free Speech Coalition's Executive Director, got up to speak out about the importance of supporting First Amendment Rights, something that much of the F.O.X.E. money goes to aid already. The members cheered their approval to his strong words about fighting for our right to erotic entertainment in the privacy of our own homes.

The Male Fan Favorites Awards followed with a announcement that Rocco Siffredi and Randy Spears had both been granted the honor. This is an award given out to more than one person, not really a tie. Neither performer was there to accept.

From here, Rebecca Steele mounted the stage to croon some soft country tunes in the style of Patsy Cline. Outfitted in a full length white ball gown with her long brown hair cascading down her back as a cowboy hat covered much of her face, Rebecca showed a talent for singing, with only the touch of tentative apprehension over performing in front of a crowd.

There were door prizes given out through the course of the show that ranged from Video Vixen trading cards right up to the laser disc version of *Deep Throat*. This kept the fans straining to hear if they were the lucky lottery winners. It also made for gaping holes in the event that made what should have been a boisterous interlude come off as scatter shot and distracting.

Domonique Simone and Alicia Rio performed a strip and simulated sex show together that was the erotic highlight of the evening. The two women fake fucked each other without getting too wild and crazy. No matter how serious the prior Pure Pleasure affair was, and the fact that the doors were locked at the beginning of this show, there was a cautious air that permeated their performance. For the critics, we reminisced about the salacious sex scene recently lensed of Alicia Rio by Rex Borsky and the sweat drenched sexing that Domonique Simone has been serving up of late. None of what we watched on stage held a candle to the video excitement in our memories.

The Vixen award was won by Alex Jordan, on the way to becoming a Triple Crown winner in the newcomer field. If the critics go her way in the XRCO Awards, 1993 could

indeed prove to be her year, demonstrating that she commands the type of attention given to a star on the level of Barbara Dare. Alex wasn't on hand for the honor, reports varied as to whether she was working or boycotting the show. Only Alex and husband Justin Case know for sure.

A new find from the Pretty Girl International agency, Traci Prince bounced around on stage, filling the time that would have been given to Nina Sauve who pulled a no show at the last minute. Nobody knew much about Traci, and from the strip performance she so enthusiastically gave, proved that many road trips needed to be notched on her garter belt before comes close to getting the big money.

The Female Fan Favorite Awards were handed out to the trio of (in alphabetical order) Ashlyn Gere, Hyapatia Lee and Madison. None of the three superstars were on hand for this one either, dampening things a bit in the already awards winner-less affair.

The F.O.X.E. Fan of the Year was given to a tireless lover of lewd from Las Vegas, Andrew Drake. He was ecstatic of his honor and his handsome appearance points to the truth that porn fans aren't always geeks.

The entertainment finale for the affair came when Dizzy and a group of back up females starlets performed two of the songs from his recently released, self-titled CD album. As the Warrant like heavy rock ballads broke through the thick cloud of club talk, the audience, for once seemed united as Chaz Vincent, Lilli Xene, Sierra, Angella

get the next shot off in twenty minutes." With that, Rinse turned on his heel and went to make a telephone call.

"What's his fucking problem?" Brazil said in a rough, gravel like voice. "Doesn't he know this is a fucking porn movie?" Brazil barked. Weird that she had only done a couple herself and was an instant expert on the subject. She plopped down in make up and asked for a drink. Pulling her feet up from her shoes, I could see the soles of her feet were filthy and her toenails were unpolished, lined with dirt and needed a clipping—about a week and a half ago! After fifteen minutes in make up she still didn't look anything as fetching as the finished box covers of her do.

Rinse struggled with her for close to an hour, clearing the set after half an hour. By the time I saw Brazil walk out the soundstage door with a smirk on her face, I seemed to think she cracked the driven and iconoclastic Rinse Dream.

I slowly walked inside the studio, hearing Rinse say, "Tell her to get a fucking job being a runway model at an airport. Get that fucking trailer park trash out of here!"

Rinse gathered himself up and looked about two years older from this event, calling rather hoarsely for Tom Byron and Brittany O'Connell to the set. A breath of fresh air was just was the production needed. Things zipped along rather nicely through the rest of the shoot, and Rinse's dark mood from the Brazil incident quickly abated. By late into the evening of the last day, Rinse was excited more over his latest purchase then the final shot. I asked him what it was he bought that buoyed his spirits so much.

"Twister. It's one of the most fun games in the world. A couple of Rob Roys and your hooked." And with that, Rinse wandered back to grab that final shot to finish the production. Rinse Dream is definitely a one of a kind person, in or outside of the porn world.

Faith, Samantha York and Nikki Wilde strutted in groupie like abandon to the beat. The powerful rock and roll rhythm proved stronger than any one moment of the evening, even the staged sappho exhibition by Domonique Simone and Alicia Rio. From there, things cooled down fairly quickly as the fans slowly exited from the night club.

I looked at my watch and saw that it wasn't quite ten o'clock in the evening. It felt like closing time despite the incredibly brief and low key show. As we all filed out, a quick poll decided we felt cheated. Not by the F.O.X.E. awards or anything that happened there. But by the realization the industry is fragmented, divided against itself and consuming itself on social, ethical, political, business and now moral levels. We all stood around in front of the Mayan for awhile, with the regret reserved for reunions that don't happen often enough.

Danyel Cheehs got dirty at thn F.O.X.E. Awnrds.

Maybe the porn industry will see they have reacted to all those who would pass moral judgement on us for what we do by turning on each other and doing the very same thing themselves. It's tearing the business apart from the inside and out, killing our pride and self-confidence and making us feel bad for what we chose to do. Self-censorship is killing porn industry which is worse then a hundred obscenity arrests. And the saddest thing is the people who need to read and learn this truth probably wouldn't be caught dead reading a porn article.

The Fans of X-Rated Entertainment need your support and membership more than ever. You can join for a measly $25.00, which will fight the cause of stopping censorship. THE WACKY WORLD OF AMATEUR VIDEO

Here's just 3 of the many Amateur tapes that crossed our desk.

MR. PEEPERS

The venerable amateur series from L.B 0 Entertainment no longer has Bobby Hollander producing them, but that doesn't stop these dirty minded sots from sending out some fiery hot screwing with three tantalizing scenes per feature Many of the Mr. Peepers tapes star big league bone catchers such as Sukoya and Natasha (as featured in Volume 64 shown here), but take that as a guarantee of great sex and red hot action from start to finish!

ROOKIE NOOKIE

The Silver Foxx of Smut, Bobby Hollander has started his own porn company, Quackenbush Video to be distributed through Top Ten Video offering up some sizzling new sex tapes that feature the finest, wildest and most wicked women you are likely to lay eyes on and unload for in the current crop of carnal movie releases. Bobby's eye for the best in bush beating, bone stiffening erotica is also complimented by his female dominant *Maneaters* series where the women call the shots and *Rodney Moore's How to Make a Model* which is first person, reality porn at its best!

BEACH BUM AMATEURS

This highly successful ongoing series from Midnight Video is into the double digit releases now with this no frills, California style carnality that is catching on in adult video circles Fans of fuck films are expressing an interest in fresh faced, action oriented X-rated releases and Midnight is bringing them to you in feature length stroke worthy cassettes with three riveting scenes per tape More a pro-am than serious amateur event, they still command serious wood from the watcher.

DIRECTORY

SOURCES

This *Source Directory* lists the actual companies that manufacture the pre-recorded videocassettes mentioned in this Directory. Due to the multilevel usage of this volume, we have also included wholesale distributors, independent direct mail companies, and other concerns that offer services relative to the adult entertainment industry.

Almost all of the companies listed here offer direct mail order sales to individuals. Some publish catalogues and brochures, and some maintain a mailing list of customers and send them information on new releases on a regular basis. If you wish to contact a company about a particular title reviewed in this Directory, call if there is a phone number listed, or drop them a line. There are two important things to remember when writing to an adult video company: (1) Always include a signed statement attesting to your age. No company will send you information without a signed age statement in their files. Including one with your information request will save you a lot of time. (2) Mention that you read about their company of titles in this issue of *Adam Film World*.

Adult videotapes can be purchased from a number of sources, ranging from your local video store to national mail order firms. We have not included many peripheral outlets due to limited space and the fleeting nature of smaller companies. When you buy a cassette, make sure you get an original one. If it is not packed in the copyrighted box of the manufacturer, odds are that it is bootleg, and it would be extremely unwise to purchase it. The quality is apt to be inferior and you have no recourse if the tape is defective. While we cannot guarantee each and every company listed, we are reasonably sure that all listed are reputable. For information concerning companies not listed in this Source Directory consult your local distributor or mail order outlet.
